Ebersoldt seeks Venice mayor job

William "Mike" Ebersoldt, city clerk of Venice since 1954, will seek election as mayor of Venice in a special election to be held April 16 to fill the vacancy created by the death of the late mayor, Dr. John E. Lee.

Clerk shot, rings taken

A man stole a tray containing 15 diamond rings worth at least several thousand dollars from Hudson Jewelers, 19th and State streets, at 7:55 p.m. yesterday. A store employee, 20, was shot while trying to stop the thief and an accomplice from escaping. He was released after being treated at St. Elizabeth Hospital for a gunshot wound in the right arm.

Jim Hudson, owner, said a man in his late 30s entered the store and asked Basil Chisholm of Florissant, Mo., a store employee, if he could see a tray of diamond rings. As a security precaution, Hudson then waited on the man while Chisholm moved near the front door to block the man from fleeing. There were five other customers in the store at that time.

Chisholm had to leave his post when another customer entered the store. He returned to the doorway, when Chisholm left the doorway, the man grabbed the tray of diamond rings and fled.

Chisholm and Hudson chased him on foot along State Street to a parking lot in the 1900 block.

His candidacy yesterday after the Venice City Council, in a meeting Tuesday night, adopted a resolution declaring the mayor's office vacant and setting the April 16 election date.

The council action also set the filing period for the special mayoralty election for Jan. 7 through Feb. 11, followed by a five-day withdrawal period.

Dr. Lee, who served as mayor of Venice for 17 years, died Nov. 30 in Barnes Hospital, St. Louis, after suffering a cerebral hemorrhage at his home Nov. 18.

Lloyd Patterson, alderman of Venice's First Ward, has been serving as temporary mayor of Venice since Nov. 29.

Ebersoldt, a retired railroad switchman, has held the city clerk's post since 1954. He was a close political associate of the late Dr. Lee and holds a top position in Democratic affairs in Venice city and township politics.

He is a trustee of the East Side Levee and Sanitary District and is a former member of the Venice Park Board. He and his wife, Irene, live at 804 Third St., Venice. They have two sons, Neal and Jim, and a daughter, Jean. They have six grandchildren.

He is a member of the First Methodist Church of Venice, a 33-year member of Masonic

Big Nameoki value hikes cause anger

A public meeting for residents of Nameoki Township whose real estate assessments have been increased by Madison County has been called for 1 p.m. Saturday at the Nameoki Town Hall at 4250 Highway 162, east of Route 111.

Louis Whitsell, township supervisor, has distributed about 1,000 circulars in the township notifying residents of the meeting. He said numerous residents have complained to him that their assessments for tax purposes have been increased drastically.

In the circular, Whitsell states, "We must not let this go unchallenged." He said an attorney will be present to guide those present in the best methods of fighting the tax assessment increases.

Carl Runge, an attorney who practices in East St. Louis but lives in Nameoki Township at Arlington Heights, has been invited to answer questions.

"It looks to me like we have a very good case for discrimination against Nameoki Township and we would like an attorney to advise us," Whitsell said.

He accused James Barton, county supervisor of assessments, of using a new criteria for assessments. Formerly, residents were assessed on the actual purchase price. Now Barton is using the "fair market value" for assessment, or the actual price for which the house could be sold, he said.

"I have a neighbor who recently purchased his house for \$15,000 and it has been reassessed at \$25,000. That's quite a jump," the township supervisor said.

He said Nameoki Township was, to his knowledge, the only township in the county being reassessed. "This means we

will be paying taxes on the basis of selling price while other residents of all other townships will be paying on the basis of their purchase prices."

"If Mr. Barton wants to change the way of assessing houses, he should do it countywide, not pick one or two townships each year," he said.

Complaints from township residents on the higher assessments also were heard at Monday night's Nameoki Town Board meeting.

Whitsell said assessment protest forms would be available at the town hall. He stressed the township has nothing to do with the higher assessments, that the changes came from Barton's office in Edwardsville.

Several of the residents present said they intended to contact attorneys to help in protesting the increased assessments. Many of them agreed to join the protest efforts and hire one attorney to represent all those wishing to file objections.

The town board was told that specifications for planned expansion and remodeling of the town hall will be available Monday and the town clerk was authorized to advertise for construction bids as soon as the specifications arrive.

A letter was read from the road and bridge committee and Albert Bell, highway commissioner, to the state highway department, in which requests were made for three new street lights along state highways in the township. Requested are lights along Maryville Road at the intersection of Route 162, State Aid Route 35 and Morningside Lane.

At the recommendation of the animal control committee, the auditors approved a change in

the pay rate for the rabies control officer. He presently receives \$100 per month for his work. The new scale is for \$100 per month with up to 20 animal calls and \$5 per call after 20. A \$150 per month limit was set.

The board received a letter from Gulf Oil Corp. informing them that the township is limited next year to the amount of diesel fuel it used this year, 1,334 gallons, and that amounts may be reduced in the future.

Carl Macios, who will become township assessor Jan. 1, requested approval by the board to retain Clarine Coggin and Jo Ann Huelkoetter as deputy assessors when he takes office. The board agreed to the request and also approved Macios' wife, Mrs. Jo Ann Macios, as a deputy to serve only in a substitute capacity.

Bell informed the auditors that catch basins have been installed at Morningside and Stratford lanes where water covering the street during rains had been a problem.

Complaints were heard from several persons residing along Route 111 of a business' outdoor light being too bright and disturbing the neighbors at night. Whitsell agreed to contact Illinois Power Co. and ask if the light can be turned so it does not shine on the surrounding houses.

Due to the Christmas holiday period, the board voted to advance the date of the next meeting from Christmas eve to Saturday, Dec. 22. The meeting will start at 10 a.m.

Valuation down in 3 townships

By HARRY HAINES

Press-Record Staff Writer
Sharp reductions in locally assessed property values of the Quad-City area—including a net drop of \$3.9 million below last year's figure in Granite City Township—were announced Tuesday by James Barton, Madison County supervisor of assessments.

The reductions will mean mounting financial problems for area taxing bodies which have been plagued by declining assessments during the past several years, primarily because of the elimination of personal property taxes.

A total assessed valuation of \$295,229,240 on personal and real estate property in Granite City, Venice, Nameoki and Chouteau Townships has been fixed by local assessors—a reduction of \$4,945,825 below the 1972 assessment of \$300,185,065 in all four townships.

Barton said personal property assessments were cut substantially in all four townships for a total reduction of \$10,750,780, but that these cuts

were offset in part by increased real estate property valuations in Granite City, Nameoki and Chouteau Townships. Venice township was the only one of the four that suffered a reduction in both personal property and real estate values.

Barton explained that locally assessed values are those valuations sent to his office by township assessors, and later adjusted by Barton's office.

The valuations are subject to change by the Madison County Board of Review which is now in session hearing complaints on individual property assessments. The board is expected to continue hearings through this month.

Barton explained the locally assessed valuations do not include railroad or capital stock assessments which are extended by the state and will be added to local valuations when they are certified to the state revenue department.

The local assessments also are subject to further reductions by the state which applies applications for homestead

exemptions after all other work of extending property values is completed.

Homestead exemptions of \$1,500 are granted to persons 65 or older who live in property they own. Application for the exemption must be made each year by the property owner.

Net losses in property values this year include \$4,945,825 in Granite City Township, \$1,317,880 in Venice Township and \$1,591,810 in Chouteau Township, while Nameoki Township had a net gain of \$3,964,520.

Barton said an increase of \$3,064,020 in real estate values in Nameoki Township was due to a revision upward of the township's assessment ratio which, he said, had been well below the 50 per cent assessment ratio required by the state.

Total local assessments for all 24 townships of Madison County were set at \$983,001,230, down \$12,482,825 from last year's local assessment of \$995,484,045. Last year's final assessed valuation countywide,

after reduction of homestead exemptions and adjustments for railroad and capital stock values was \$967,777,469.

In Granite City Township, locally assessed values on personal property have been set at \$61,751,690, a reduction of \$6,751,405 from last year's \$68,516,095. The 1973 real estate values were set at \$155,717,150, up \$2,620,810 from the 1972 local assessment of \$153,096,340.

On this basis, the total property assessment of Granite City Township was set by local assessors at \$167,468,940, down \$3,943,595 from the 1972 total of \$171,412,435.

Nameoki Township's new personal property assessment was fixed at \$7,162,700, a loss of \$1,126,470 from the 1972 figure of \$8,289,200. The new real estate valuation is \$36,919,990, an increase of \$3,064,020 over last year's real estate value of \$33,855,970.

This gives Nameoki Township a net increase of \$1,937,550, all of it due to the boost in real estate assessments.

Venice Township, the only Quad-City Township in which there were declines in both personal and real estate values, has a new total assessment of \$56,423,230, a drop of \$1,347,880 below last year's total of \$57,772,210.

\$917,050 Broadway bid near estimate

By WALTER STRANGE

Press-Record Staff Writer
A "satisfactory" bid for the relocation of Broadway in Venice was received by the Illinois State Department of Transportation and a contract is certain to be awarded, the Venice City Council was informed in its meeting Tuesday night.

The lowest of two bids was submitted by the Kern Construction Co., 1100, 1000.

Grassroots government

Pontoon Village Board 7:30 p.m. today, Dec. 13, at Village Hall.

Venice Park Board 7:30 p.m. Friday, Dec. 14, at 3rd Broadway.

Chouteau Town Board 9 a.m. Saturday, Dec. 15, at 825 Thorngate Drive.

Chouteau Town Board 7 p.m. Monday, Dec. 17, at 825 Thorngate Drive.

Venice School Board 7:30 p.m. Monday, Dec. 17, at 7th Broadway.

Granite City Council 8 p.m. Monday, Dec. 17, at GC City Hall.

struction Co., and S. & E. Minority Contractors, Inc., of Alton, in an offer of \$917,050.

The bid is only 2 per cent in excess of the estimated construction cost of \$895,000 and therefore well within the state's practice of accepting bids if not 5 per cent over cost estimates.

The Broadway relocation job, Springfield Tuesday morning. The other bid was submitted by H. H. Hall Construction Co., East St. Louis. That offer was \$1,100,000.

George Adamson, contract engineer at the Fairview Heights district office of the state transportation department, said procedure for awarding and executing a contract will be "relatively simple," but that a target date for beginning work will depend upon the weather and shortages of fuel, steel and other necessary materials.

"I am happy the state received an acceptable bid, as this project has been needed a long time," Adamson remarked.

The Venice council adopted a resolution concurring in the acceptance of the bid.

The Broadway relocation job, which calls for 54 of a mile of paving, will turn Broadway westward at Third Street to extend under the Broadway

underpass Broadway then will extend northerly about 100 feet to a point north of Broadway and Main Street, then southerly on Main Street to a point 517 feet south of Abbott Street.

The work will include construction of approaches to Federal Aid Route 151 and to McKinley bridge to connect with the River Road when it is built by the state from Niedringhaus Avenue in Granite City to Venice.

The underpass was completed in mid-1972.

The project will be placed on the highway department's work schedule for 1974 under a Venice-state-federal agreement calling for 70 per cent of the construction cost by the state and federal government.

The new agreement approved by the Venice council will reduce the city's share of the cost to about \$300,000 from an earlier estimate of twice that amount.

TO UNDERGO SURGERY

Dr. David Friedman, 2822 State St., who has medical offices at Myrtle and Jil avenues, has been admitted to Jewish Hospital, St. Louis, for tests preceding major surgery that will be performed at the St. Louis Hospital.

Alma Powell, 59, of 808 Kirkpatrick Homes, was treated at St. Elizabeth Hospital at 3:35 p.m. Saturday for injuries incurred when she struck her face on the dashboard in an auto accident in East St. Louis a short time earlier. She had a large bruise to the face and scratches on the left hand. After x-rays were taken, she was released.

YULE GIFTS STOLEN

A mahogany record player, walnut speakers, cartridges, a tape recorder and \$50 worth of wrapped Christmas gifts were stolen from the apartment of Larry Ashby, 3215 Maryville Road, it was reported at 10:15 p.m. Friday.

Madison Amvets plan Christmas parties

Plans are under way for a children's Christmas party Saturday, Dec. 22, beginning at 2 p.m. in the Polish Hall, 826 Greenwood St., Madison, under sponsorship of Madison Amvets Post 203.

Vasil Graville, chairman, said parents may register children for the party in advance by calling the Post home at 876-9621, or Graville at his home, 852-3170, after 6 p.m. The Amvets will hold an adult party beginning with dinner at 7 p.m. the same day and place. Reservations in advance are necessary.

David McClelland, Jessie Norman, Paul Kacera Jr., Eldon Rhoads, Ted Ostrenga and Jim Poole were introduced as new members. This brings the membership to 203, including associate memberships.

Commander Thomas Voloski appointed Stanley Skubish as adjutant, and said he needed some volunteers for work on the post home. Anyone able to help is asked to call Voloski at 877-3838.

The membership was reminded that 1973 dues are now due.

Cruse announces candidacy

Von Dee Cruse, Granite City Township assessor, announced today his candidacy for the Democratic nomination as Madison County clerk in a statement in which he pledged to apply his experience in public office to operation of the clerk's office.

Cruse said: "I would like to announce my candidacy for the office of county clerk of Madison County. With this announcement, I would like to thank the Madison County Democratic Organization for its recent endorsement of me as its candidate for county clerk."

"The office of county clerk in Madison County has been held

in the past by the retiring clerk, Miss Eulalia Hotz who has announced that she does not intend to seek re-election. Her service in the past has been with distinction and I wish her well in her retirement.

"My election would bring to the office of county clerk many years of experience in local government. I have served two terms as alderman of the city of Granite City and am in my third term as assessor of Granite City Township.

"The experience of public service I have gained in these positions will give me a solid foundation upon which I can further serve the residents of Madison County as county

clerk. "I pledge to the people of Madison County that if selected by the voters of the Democratic party as its candidate in the primary election on March 19, 1974, and by the voters of Madison County as the county clerk in the November 1974 general election, I will perform all duties as clerk to the best of my ability with fairness to all. "I shall endeavor to retain continuity in the office by insuring that the experience of many of the present employees of the clerk's office will be utilized by me during my term."

GC Rotary 50-year banquet

Plans are continuing for the Granite City Rotary Club to mark its 50th anniversary with a banquet Tuesday night, March 12, in cooperation with the Madison Rotary Club, which then will observe its 50th year in 1975. Richard Kerch and Richard West are co-chairmen. Joseph Hassler is president. Glenn Abernethy and Homer Huber head a committee urging attendance at the next Rotary International meeting in Minneapolis.

The club decided to name a Paul Harris Fellow at its 50th year dinner in honor of the RI founder and of a local Rotarian.

Animal adoptions Saturday in GC

Puppies, kittens and several older dogs and cats will be offered for adoption from 11 a.m. to 4 p.m. Saturday at the Quad-City Association for Protection of Animals' adoption center outside the Granite City store in Nameoki Village Shopping Center.

Mrs. Judith Johnson, APA president, said the humane group urgently needs blankets, newspapers, non-perishable dog and cat food, dog houses, bedding and rugs of all types for use at its permanent shelter at the Granite City Army Installation.

He also serves as president of the Venice City Organization, vice-president of the Venice Crippled Club, secretary of the Venice Children's Organization and as secretary of the Venice Homecoming and Memorial Association.

Henry Baucum, Venice city treasurer, also is reported a possible candidate in the city's race. Baucum, a black, formerly was a Venice alderman and was elected treasurer last April. Baucum said today that he is "considering" the mayor's race, but said he has made no definite decision.

Also named in political speculation as a candidate for the late Dr. Lee's post is Larry Hartman, a brother of Harry Hartman who is Venice city attorney. Larry Hartman is attorney for the Venice Board of Education.

Chouteau Township has a new total locally assessed valuation of \$27,263,450, a drop of \$1,591,800 below the 1972 assessment of \$28,855,250. The new valuation of personal property is \$5,138,785, down \$1,856,435 below the 1972 figure of \$6,995,220. Real estate assessments for 1973 are \$22,126,665, a gain of \$364,625 over the 1972 assessment of \$21,862,040.

Barton said the losses in personal property values this year results from court rulings upholding personal property tax cuts for all household goods and cars and for businesses. Virtually all of the remaining personal property values are extended on industrial property, he said.

where the man jumped in the passenger side of the car beside another man.

Hudson grabbed the robber's coat before he could close the door while Chisholm ran to the driver's side, reached through the open window and grabbed the steering wheel, attempting to turn it toward a building.

At that point the car began moving and Chisholm was knocked to the ground. As the car left, the driver produced a pistol and fired a shot at Chisholm, the bullet striking his right upper arm.

The auto left toward Edward Avenue.

Hudson described the robber as wearing a brown corduroy car coat and having long side burns. He was unshaven.

Tree of Lights drive reaches 65% of goal

Donations totaling \$8,702 have lighted 348 bulbs on the "Tree of Lights" in Civic Park, the Salvation Army's traditional method of raising funds during the pre-holiday weeks to aid local families at Christmas time.

Ralph Astorian, drive chairman, said the current contribution total represents 65 per cent of the funds being sought to provide food baskets, clothing and other items to needy persons.

Letters will be mailed early next week to families who have applied for Christmas aid. Captain and Mrs. Ronald Kerley, Salvation Army officer-in-charge, said today.

Applicants will be notified at what hour and location they should collect their food basket. All baskets will be distributed on Friday, Dec. 21, starting at 10 a.m.

As part of the Army's Christmas service to the community, six members of the

League of Mercy with Mrs. Kerley are completing visits today at eight area nursing homes.

A total of 900 patients, most of whom are elderly and alone, will have been visited and presented small gifts by this evening at the Madison County Nursing Home, Anna Henry Nursing Home and the Madison County Shelter Care Home, all in Edwardsville; Colonades and Colonial Haven nursing homes in Granite City; Pleasant Rest Nursing Home, Collinsville; Colonial Manor Nursing Home in Maryville and the Professional Care, Inc. home in Troy.

Capt. and Mrs. Kerley accompanied by the Salvation Army Youth Group, visited servicemen at Scott Air Force Base Hospital, Belleville, Tuesday evening and distributed 187 gifts.

The young people also sang Christmas carols for military personnel confined at the base hospital.

News notes

Gov. Walker yesterday granted employees under his jurisdiction an extra 2½ days of holiday vacation—Dec. 24, Dec. 31 and the first half of Dec. 26.

Kenneth Long of the St. Louis Army Engineer District said Wednesday a citizens' proposal that the U. S. replace existing Alton locks rather than building new locks two miles down the stream would not solve costly delays of river barge traffic.

Some U. S. truck drivers are observing a two-day work stoppage starting today to protest high fuel costs and reduced speed limits, but many others are continuing to work. Harassment of drivers operating in Ohio was reported early today.

Construction of a second major metropolitan airport near the Columbia-Waterloo, Ill., area is inevitable, Clyde Pace said Wednesday. Director of the Federal Aviation Administration's airport service, he said Lambert Airport should be developed to its full capacity but that it cannot be expanded enough to meet the projected air traffic volume.

United Mine Workers said Tuesday they are preparing for a six-month strike against coal companies.

The comet Kohoutek is 40 times fainter to the eyes than had been predicted eight months ago.

Dime candy bars may be gone by the end of the month, replaced by bigger bars selling for 15 cents. Inflation is said to be affecting the cost of all the raw materials—cocoa beans, milk, peanuts, sugar and wrapping materials.

Senate-House conferees agreed Tuesday on a \$375 million plan to stimulate growth of prepaid health plans offering all medical and hospital care at fixed monthly prices.

Comedian Dick Van Dyke, who plays an alcoholic in an upcoming television movie, said Tuesday he has been an alcoholic for a number of years.

First land purchases to expand Cahokia Mounds State Park this spring will total 43 acres, State Rep. Monroe L. Plinn said Wednesday.

Ford and Chrysler raised prices \$150 on their cars and trucks Tuesday after the Cost of Living Council exempted the auto industry from wage and price controls. The agency had obtained commitments from Ford and General Motors to keep wholesale price hikes for full-size and intermediate autos within an average of \$150 and not to raise 1974 model prices again.

Public hearings will begin Dec. 18 on a state plan to require chlorination of all public water supplies in Illinois.

The U. S. Supreme Court on Tuesday voted 6-3 to give police officers authority to conduct a complete search of anyone they arrest lawfully on a charge which permits officers to "put down" searches for weapons. It has been noted that in many cases limited searches have been followed by murders of policemen.

Raise price of Festival tickets

With a conference with the Illinois Arts Council postponed until after New Year's, the Mississippi River Festival board decided Tuesday to proceed with planning for a sixth summer concert season at SIUE in 1974 and to raise prices, including a boost from \$2 to \$3 for lawn seating except at Saturday night St. Louis Symphony performances.

A 50-cent charge for parking on lots near the MRF site will be eliminated.

Tent ticket prices for folk-pop-rock concerts on Tuesday and Wednesday nights will be \$5.50, \$4.50 and \$3. Similar tickets for Friday family musical attractions and Sunday Symphony-guest conductor programs will be increased \$1 a ticket to \$6.50, \$5.50, \$4.50 and \$3.50. Saturday prices will be \$5.50, \$4.50, \$3.50 and \$2.50.

Coupon books containing \$25 worth of coupons still will be sold for \$20 but may be redeemed only for Saturday and Sunday concerts. Non-discount gift certificate books may be used for tickets to any MRF concert.

Children 12 years of age and under will be admitted to the lawn for all concerts at \$1.50. Student tickets costing \$9 will be sold for six Saturday evening programs.

Noting an accumulated deficit of about \$64,000, the board has embarked on efforts to reduce it.

In addition to altering ticket prices, there have been hopes of arranging for more definite financial allocations by the Illinois Arts Council.

A dinner set for Tuesday between the IAC, Gov. Daniel Walker and all major cultural institutions was postponed due to a scheduling conflict.

THEFT FROM CHURCH

A basement window on the north side of Hope Lutheran Church, 3517 Wabash Ave., was broken to gain entrance to the building and a hammer was used to break the glass in the office door, it was reported Monday. Taken from the church were \$20 cash, a roll of postage stamps, a camera, a wall clock and a postal scale.

Cage squads slated for weekend action

The Quad-Cities' five varsity cage squads are slated for rugged action again this weekend. The Warriors of GCHS South will play host to Quincy at 8 p.m. tomorrow and then travel to Belleville at 8 p.m. Saturday to meet Belleville West.

Madison and GCHS North will clash for the first time this season Saturday in an 8 p.m. game at South gymnasium. The Venice Red Devils will be across the river to meet Vashon at 8 p.m. in St. Louis.

GCHS South will attempt Friday to capture its first win of the new season, they now are 0-3 (0-1 in Southwestern Conference action), having lost to Mascoutah, Madison and Alton.

The Raiders of Quincy Catholic Boys' lost their first two games in the Collinsville Tournament, 7-24 at the hands of Madison, and 38-70 by Collinsville, but have not lost a game since.

"They are in the same boat as we are," says South Mentor Bryan Wilkinson. "Quincy also has only one returning player. He is all-star Greg Curin, who is said to be an outstanding player." The Warriors' only returning letterman is Mike Martinez.

Belleville West, South's opponent Saturday, has a 1-1 record. The Maroons defeated Wood River 78-40 in the season opener and dropped their first game of this past Friday to the Flyers of East St. Louis, 60-52.

West's leading scorer is 6-3 senior Bill Schmidt who in the Wood River game scored 15 points as a first year starter. Schmidt also scored 25 points, and hauled down nine rebounds in his team's loss to East St. Louis.

Other Maroon's who probably will see action against South are 5-10 junior Milton Wiley, 6-2 senior Don Barton, 6-3 junior Rusty Lisch, 6-2 senior Joe Holtgrewe, 6-0 Tim Katzmack, 5-11 senior Mark Hargis and 5-11 senior Dave Wild.

South will more than likely start with Rick Fancher, Ken

Bertrand, Terry Hollis, Bob Hutchings and Mike Martinez. Backing up the five will be Tom Schooley and Dale Williams. The North Stealers will take to the court Saturday against the Madison Trojans at GCHS South gymnasium.

North, now 3-1 after posting double victories during the last weekend, will be looking to avenge the Trojans' victory over GCHS South two weeks ago, and break up Madison's four game winning streak.

Madison's latest victims were the Venice Red Devils, defeated 48-46 last week on a last minute

basket by Rudolph Bradley. Bradley tallied 21 points against the Red Devils.

Joining Bradley on the court against the Stealers will be Jon Henke, Ron Glasper, Carl Campbell, Chris Stanley and Daryl Franklin.

The Stealers will have their leading scorer, Dave Schefke, who has been averaging 20 points a game, leading the attack, along with Don Lloyd, Daryl Page, Gene Logas, Larry Jones, Mike Waldo, Greg Gauen, Cary Simpson and Dennis McBride.

North posted Wood River 61-

51 Friday and then clobbered Assumption of East St. Louis Saturday 69-54.

The Venice squad fresh from a 58-45 romp over St. Henry of Belleville Tuesday, will clash Saturday across the river with a tough Vashon, St. Louis, team.

The Wolverines of Vashon now are 6-1 on the season after capturing runner-up honors during the weekend in the DeMet cage tournament at St. Louis. Vashon's only loss was in that tourney at the hands of St. Charles, Mo., 69-58.

Vashon is led by all-star Rolands Nash, a 6-5 senior, 6-4 junior Johnny Ricks and 6-7 senior Howard Jackson. Jackson is averaging 18 points a game.

Richard Essington, Venice

cage coach, told the Press-Record, "We definitely have to change our defense so that we can cover the big fellows."

"More than likely we'll sign our guards back on them and let our guards do the shooting as well."

"Because of their height," Essington comments, "we will have to minimize the rebounds and control the ball because Vashon is a fast breaking ball club which can score on you before you realize what is happening."

Leading the Venice attack will be J. B. Harmon, Tony Sifton, Mike Henry, Reggie Gardner and Ron Henry. Henry racked up 28 points against St. Henry Tuesday and 27 points in the Madison game.

Venice preparing for holiday tourney

The Venice Red Devils are looking forward to their sixth Columbia-Freeburg holiday cage title when the tournament opens at Columbia on Wednesday, Dec. 26.

Venice has won the championship five out of the past seven years, having lost in 1969 and 1971.

Last year, the Red Devils defeated Sandoval 84-51 and Steeleville 74-59 to advance to semi-final action. Venice then overpowered Aviston Central of Breese 62-49 to meet the Waterloo Bulldogs head-on for the championship.

Rallying behind the 30 points scored by Ron Henry, Venice

downed the Bulldogs 74-54 for the title.

Lebanon captured third place last year with a 64-62 squeaker over Central, and Gibault of Waterloo outscored Sandoval 74-63 in the consolation final.

The Red Devils' new head mentor, Richard Essington, told the Press-Record this week, "Our loss to Madison didn't get the players down."

"They always have held up well under pressure, and this year is no exception."

In this year's tournament, which begins Wednesday, Dec. 26, and continues through Saturday, Dec. 29, Venice has been seeded first, Lebanon second, Central (Aviston-Breese) third, and Quincy fourth.

Warrior matmen hope for repeat victories

The undefeated matmen of GCHS South will be seeking consecutive victories number 48 and 49 this weekend, starting tomorrow at 7 p.m. against Springfield Southeast at Springfield, Ill., and Saturday across the river in a 1:30 p.m. meet with Normandy. The Warriors also are preparing for the upcoming 13th annual Granite City Holiday Wrestling Tournament on Thursday, Dec. 27, and Friday, Dec. 28.

The South squad posted wins number 45, 46 and 47 this weekend with victories over

Edwardsville, Decatur, Glenview and Bloomington. They have not lost a dual meet since losing to Riverview Gardens, Mo., in the 1970-71 wrestling season.

Last year, South defeated Springfield Southeast 43-6, sweeping 19 of 12 matches, three on pins and seven by decisions, then downed Normandy 28-17, winning seven and tying one of the 13 matches.

The Warriors will host Ritenour, Mo., at 1:30 p.m. on Saturday, Dec. 22, prior to the 10 team tournament at South's gymnasium which draws wrestlers from throughout Illinois and parts of Missouri every year.

Returning to the meet for the Warriors are Pat McMillan, John Niebur, Don Heath, Dan Heath, Dave Rushing, Ken Nolen and John Avedisian. Jerry Patterson is filling the heavyweight spot vacated by McMillan.

Matches will begin at noon Thursday, Dec. 27, and will continue the first one and one-half rounds are completed. Action will resume at 7 p.m. for the remainder of the second and third round pairings.

At noon Friday, Dec. 28, mat action will continue with the final two rounds beginning at 6 that evening to decide the championship.

The tournament will be conducted using a regular elimination method. Two losses before the final rounds automatically eliminate a wrestler.

Winners in the first round will be pitted against other match winners and losers will wrestle in a losers' brackets. The last four remaining in the losers' brackets will be paired and wrestle, and the two winners then will compete in a round-robin with the sole remaining winners and losers will wrestle in that weight class.

Champions will earn nine points; six points will be awarded to the second place finisher in each weight class, and third place earns three points. An additional half-point will be awarded if the victory is by more than 10 points on decisions and a full point bonus if the win is by a pin.

South's sister school, GCHS North, now 3-1 on the season, will meet Belleville Althoff tomorrow, host McChuer North on Friday, Dec. 21, and will compete against East St. Louis and Springfield Southeast at East St. Louis on Saturday, Dec. 22, before the tournament.

9th grade mat touney here

The 1973 ninth grade wrestling tournament, held last year at Prather Junior High school, will be hosted this year by the freshmen of GCHS North beginning at 11 a.m. Saturday.

More than 400 spectators witnessed Kirby Junior High School of Missouri capture last year's event with 106 points and six individual champions. Prather finished second with three champions and 54 points.

The eight team invitational mat tournament will have the defending champion, Kirby of Hazelwood, returning as well as Cross Keys of Florissant, Mo., both GCHS North and South, Belleville East, Normandy, Mo., Edwardsville and Roxana.

North Fresh mat coach George Nemeth has announced a tentative line-up for the event. It is Keith Whelan (98 pounds), Matt McCullough (105), Steve Szies (112), Marty Borowski (119), John Sands (126), Mark Starling (132), Ken Faddis (138), Joe O'Gara (145), Tony Turner (155), Mark Widel (167), Jim Shemwell (185), and Dale Peimeyer (heavyweight).

Anticipated wrestlers for

GCHS South are Ken Wiesehaus (105), John Phillips (112), Dave Gaines (119), Ken Dunn (126), Jim Carmody (132), Rick Jones (138), Mark Aldridge (145), Dana Wallace (155), Kevin Wilson (167), Ken Frick (185), and Mark Naglich (heavyweight). The 95 and 98 pounders have not been selected.

The tournament will be single elimination style, with first-round winners advancing to semi-finals and winners there competing for the championship. Semi-final losers will meet to decide third and fourth places.

Points awarded will be based on the same rules as those governing the Granite City High School Holiday Tournament.

Belleville East tops North underclassmen

The GCHS North freshmen and sophomore grapplers both lost Tuesday at Belleville East. The freshmen captured three of their 12 matches, losing 48-16, while the local sophomores took five of 12, losing 40-21.

Fresh grapplers of North who posted victories, all by pins, were: 105 pound—Matt McCullough, 1-48; 119—Marty Borowski, 3-43; and 185—Jim Shemwell, 1-10. 119 pounder Steve Szies pinned his opponent in 3-40 in an exhibition match which did not earn points for the team.

Sophomore victors were: 98 pound—Keith Whelan, 5-4 decision; 105—Jim Bledsoe, 8-2; 112—Bob Ward, won by default; 165—Rod Tanner, pin; and heavyweight—Dennis Cuvar, 1-4.

Madison sops top South by 3

The sophomore cage squad of GCHS South dropped its third consecutive game at Madison Tuesday by a score of 46-43 after leading 10-7 in the first period and 21-17 at halftime.

Madison, on 17 points by Ron Jones and 13 by Dalfred Haynes, moved ahead by one, 32-31, at the end of the third period, and outscored South, 14-12 in the final quarter for the victory.

Assisting with points for Madison were Patrick Winston and Tyrone Burt with three field goals each.

Scoring for South were Ken Nolen, 20 points; Mike McCraven, 11; George Lawrence, 3; Tony Stajdhar, 8; and Rick Fancher, 3.

The sophomore Warriors lost their first season game to GCHS North last week and then fell to Alton by a score of 71-50 Monday.

The Alton Redbirds outscored the local squad in every period, 11-10, 24-12, 19-24 and 17-4, for the victory, even though ten South players scored.

The team were Stajdhar, 12 points; Nolen, 10; Lawrence seven; Fancher, six; McCraven, four; Joe Ingram, four; Dan Wilkins, one; and Jeff Scarborough, Jeff Herring, and Don Boyce who contributed two points each.

Braves' 1st win

The mat Braves of Coolidge Junior High School defeated Edwardsville 50-20 during the weekend at Coolidge to post their first win of the new season. Coolidge's only loss was in the season opener Dec. 4 to the Chiefs of Prather Junior High School 39-36.

The Braves captured eight of 13 matches Friday, seven by pins and one by forfeit, while losing four to Edwardsville and wrestling to one draw.

Team member victories by weight class (pins indicated by times) were: 75 pounds—Ron Cline, 5:36; 82—Gregg Colvott, 2:05; 105—Charles Duckworth, 3:13; 119—Darrell Hasty, 1 minute; 126—Ralph Barker, 1:55; 135—Mike Fordise, 3:57; 144—Norm Mangoff, 1:45; and heavyweight Steve Curless, by forfeit. The draw was in the 112 class, 2-2.

Edwardsville posted wins over: Barry Forshee, 4-0, in the 90 pound class; 15-14 over Greg Hoes in the 98 pound class; won by forfeit in the 155 pound class; and pinned Dennis McMillan in 2-42 to capture the 170 pound division.

Coolidge travels to Roxana today for a 4 p.m. meet.

5 unbeaten grapplers leading North charge

Five undefeated GCHS North Steeler wrestlers will lead their team into battle tomorrow at Belleville in a 6:30 p.m. meet against the Althoff Crusaders.

The five by weight class are: 105 pound—junior Niel Pierson; 112 pound—senior Rudy Pyle; 119 pound—junior Eric Schmisser; 126 pound—senior Phil Shands; and heavyweight—senior John McMillon.

In the Steelers' season opening 24-15 loss to Mundelein Carmel Nov. 30, Pierson posted a 4-0 decision over his opponent; Pyle earned a superior 15-1 decision, and McMillon was victorious on a 2-1 decision.

The next day the Steelers traveled across the river to Hazelwood, Mo., and defeated the host school 30-14 to begin a three meet winning streak. Pierson pinned his enemy in 3:58; Pyle won on a 10-3 decision; Schmisser again did not participate. Shands wrestled to a 4-4 tie, and McMillon downed his opponent on a 16-0 superior decision.

This past Saturday the Steelers played host to a round-robin meet in which they downed Wood River 50-3 and Edwardsville 33-15.

Pierson posted victories of 5-2 and 8-4; Pyle, a pin in 2-11 and a 9-3 decision; Schmisser, 7-0, 8-4; Shands, a 3-22 pin, 10-3 decision; McMillon, a 5-43 pin and an 8-3 decision.

Belleville Althoff, with a 2-1 record, lost to Belleville West 29-23 in the season opener then posted back-to-back victories over Carbondale and Murphysboro Saturday. Althoff has only three wrestlers who are undefeated going into Friday's clash.

They are 145 pound junior Rick Angevine, 167 pound senior, Dave Hemmer, and his cousin, senior heavyweight Steve Hemmer.

Trojan freshmen win

The freshmen Warriors of GCHS South, after defeating the GCHS North Steelers 30-10 in the season opener, dropped two in a row this week, 76-57 at Alton Monday and 65-50 at Madison the next day.

The Warriors were outscored in each quarter by Alton, 16-13, 20-19, 25-13 and 15-12, even though Paul Evans made 16 points, Dave Rhodes 14, and Keith Champion 12.

South held a five point, 16-11, first period lead against Madison Tuesday but were outscored in the remaining three quarters 23-6, 12-11, and 20-16 by the Madison squad.

Scoring for South at Madison were: Evans, 16; Eldon Warfield, 15; Keith Champion, 11; Rhodes, 4; and Richard Doty four.

Madison's Ronnie Williams led his team with 17 points. Rodney Davis made 13; Dwight Walker 12, Robert Deloach 11, and Randall Jones made five field goals, all in the final period, for 10.

Venice cagers squelch Eagles

The Venice Red Devils held St. Henry's leading point maker, 6-4 junior Don Rousseau, to only 14 points Tuesday night, handing the Belleville cage squad its sixth consecutive loss 58-45 at Belleville. The St. Henry Eagles only win, thus far was over Coulterville in the season opener.

Red Devil Ron Henry had a field day in leading his team to victory. He pulled down nine of 12 offensive rebounds, 10 of 21 defensive rebounds and forced nine fouls on the host school.

Henry, who got off to a slow start in the first game of the season against Central of St. Louis, was back in the shooting groove which earned him all-state honors last year. He hit 13 field goals and was two of two from the free throw line to score 28 points against the enemy, leading Venice to a 20-12 first period edge. The second period score was 30-25 and Venice upped the lead to 40-37 in the third quarter.

Complementing him in scoring were: Tony Sitton with five field goals for 10 points; sophomore Reggie Gardner, five field goals for 10 points; J. B. Harmon, three field goals for six points and Ron Taylor and Mike Henry, one field goal each for a total of four points.

St. Henry moved to within five points at halftime and to three at the end of the third period, primarily on 16 points earned by Tony Ward.

The Eagles hit on 21 of 37 shots, were three out of four from the free line, and recovered 24 rebounds, 11 by Ward.

"When they got within three points of us," recalls Venice coach Richard Essington, "it was time for us to make a change."

"We had been shooting from the outside until the fourth period. Then we started getting the ball inside to Henry, which

enabled us to pull away from them," he explained. The Red Devils, hitting on 28 of 56 shots attempted in the game, added up 18 big points in the final period while holding St. Henry to only eight.

"We were lousy at the free throw line, though," says Essington. "Henry made the only two for us out of what seemed like hundreds of attempts, but was actually only 18."

The Red Devils will have their hands full Saturday when they carry their 2-1 record across the river to Vashon at 8 p.m. The St. Louis team suffered its first loss this past weekend to capture runner-up honors in the DeSmet Cage Tournament after posting six consecutive victories.

Assumption now has an identical record with Granite City, after posting a 7-4 win over Wood River.

Alton, which has yet to lose a game, remains in the number one spot with a perfect 4-0 record after downing Collinsville 5-0.

Cancel game

The St. Louis Playboys Club Bunnies vs. Madison County Sheriff's Department benefit basketball game, which was scheduled to be held Sunday, Dec. 16, at South High School, has been cancelled.

Hockey squad tied for 2nd

The Granite City team of the MacLair Ice Hockey Association moved into a second place tie with East St. Louis Assumption Friday night with an 8-3 victory over Belleville.

Belleville scored first and the local team tied it up with a shot by Bob Shipley late in the first period. Midway through the second period Belleville added two more for a 3-1 lead.

After that it was all Granite City, with the local squad scoring seven consecutive goals. Scoring for the Granite City team were: Dave Lindsay, Kevin Gray, Mike Shiley, Greg Baur, Jeff Hillman and Bill Skirball. The loss dropped Belleville to 0-4 on the season and moved the local team up for a 3-1 record.

Assumption now has an identical record with Granite City, after posting a 7-4 win over Wood River.

Alton, which has yet to lose a game, remains in the number one spot with a perfect 4-0 record after downing Collinsville 5-0.

GCS Women greet Santa at annual Yule dinner

Christmas punch was served at 5:30 p.m. Tuesday to inaugurate the traditional holiday party of the Granite City Steel Women's Club. A total of 101 members from a membership of 122 attended the festive event.

An ornamental Christmas tree, illuminated with colored lights, was the focal point in the General Office Building's cafeteria, location of the party.

Dinner was served at tables decorated with Yuletide appointments and centerpieces. Beneath the tree were many prizes, placed there by Mrs. Elizabeth Niepert who supervised the decorating committee.

Mrs. Bobbie Sykes, program chairman, introduced Santa Claus who was warmly greeted by those present before distributing exchange Christmas gifts. Dick West of the GCS production control department portrayed "Jolly old St. Nick."

Entertainment was provided by the New Life Singers of First Assembly of God Church. The young people presented a program of seasonal and contemporary music under the direction of the Rev. Dan Albrecht, music director.

Among those performing were Jan James, Monica Dresch, Jon Grindstaff, Vicki Simpson, Gary Andrews, Larry Smalle, Carolyn Jenkins, Allan Oradiah and Connie Oradiah.

Mrs. Dorothy Rushing, club president and Mrs. Peggy Solberger, vice president, welcomed the members. Serving on the program committee were Mrs. Helene Bischoff, Mrs. Dee Greer, Mrs. Ginny Johnson, Miss Gladys McAmish, Mrs. Betty Roman and Mrs. Niepert.

Prizes were won by Virginia Ansley, Theresa Morgan, Virginia Johnson, Dolores Corgett, Louise Koesterer, Peggy Solberger, Mary Stegle, Vivian Flaughier, Louise Lakin, Florence Portell, Dorothy Crews, Bethel Davis, Olga McMurray, Ruth Hancock, Perma Boyer and Gay Rosch.

For the club's Jan. 8 meeting, a "Casino Night" program is being arranged, Mrs. Rushing announced.

Stallings pupils' skate party

Stallings School PTA will sponsor a skating party from 6 to 8 p.m. Monday at the Stardust Skating Center, 3967 Lake Drive, according to Mrs. Wilma Bowen, PTA president.

A king and queen will be selected by the students and a crowning ceremony will be held at the fund raising event, Mrs. Bowen added.

Advanced ticket sales will take place Friday and Monday during lunch periods in the school gym or may be purchased at the door Monday night. Admission will be 75 cents for a single admission and \$2.50 per family. Skate rental fee is 50 cents.

A workshop to prepare the holiday treats for Stallings pupils will be held at the school at 7 p.m. today.

PTA members purchased a Christmas tree for each of the 11 classrooms and erected a tree in the cafeteria this week for the custodial staff and office personnel.

New Hope to host Yuletide party

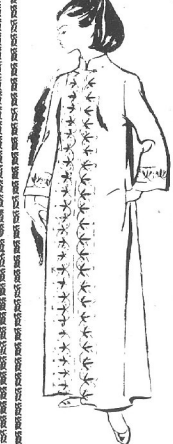

New Hope Chapter 432, Order of the Eastern Star, made plans for a Christmas party and gift exchange at 7:30 p.m. Dec. 21 for members and guests of the chapter during a meeting last week.

Howard and Thelma Prevett, worthy patron and worthy matron, presided at the meeting.

Those escorted and introduced were Mrs. Elfreda Barr, past grand matron of Illinois, several grand lecturers and committee members and Harry and Betty McClintock, worthy patron and worthy matron of Granite OES Chapter 650.

Entertains Jr. Service board

Mrs. Mary Lou Worthen, president of the Granite City Junior Service Club, entertained the club's board members at a Christmas dinner party in her home, 37 Janday Lane.

After the dinner several projects were discussed, including the annual Yule party of club members, to be held tonight at Jacques Old World Restaurant in St. Louis, and a holiday party for patients at the Colonnades Nursing Home.

Also discussed was a project to provide winter coats and a \$50 donation to purchase shoes for distribution through local organizations.

Those attending the party Carolyn Thornberg, Sharon St. Ivany, Mary Lou Richardson, Beverly King, Elmira Traschel, Loretta Krekovich, Phillis Grimm, Linda Saltich, Juanita Bell and Flora Mae Lensing.

Christmas music at Third Baptist

A special Christmas concert will be presented at 6:30 p.m. Sunday at Third Baptist Church. The public is invited to attend.

Under the direction of the Rev. David T. Richardson, a combined choir of youth and adults will sing "A Christmas Festival," a collection of favorite and traditional Yuletide melodies.

The youth choir also will perform Bach's cantata, "For Us a Child is Born," accompanied by strings, woodwinds, brass, electric piano, organ and piano, the choral director said.

Presbyterian Advent program

The Rev. David Maxton, pastor of the First United Presbyterian Church, will use "Making Room for Mystery" as his sermon topic for Sunday to mark the third Sunday in Advent.

Special music by the Youth Choir will be presented at 8:30 a.m., followed at 9:40 with a church school program rehearsal. At 11 a.m. the Children's Choir and Sanctuary choir will sing "Thou Must Leave Thy Loveliest Dwelling," by H. Berlioz.

At 6:30 that night the Sanctuary choir will sing carols at both the Colonnades and Colonial Haven Nursing Homes.

The fourth Sunday in Advent, Dec. 23, will feature the sermon topic "Is There News for You?"

Christmas play at St. Peter's

Members of the Afternoon Guild of St. Peter Evangelical United Church of Christ, assisted by Arnold Arbogast, presented a play entitled "The Spirit of Christmas" at the guild's annual holiday party.

Proceeding the presentation was a smorgasbord luncheon.

Mrs. Adele Rube, president, presided at the business session. She announced the "hanging of the greens" at the church will take place on Sunday afternoon.

Christmas treats for shut in members were collected for delivery. Mrs. Ertha Johnson announced the Red Cross bloodmobile's visit here for St. Peter's congregation is set for Dec. 26 from 2:15 p.m. to 6:45 p.m.

Baptist youth to go caroling

Members of the junior and senior high departments of the First Baptist Church, 21st Street and Delmar Avenue, will meet at the church at 6 p.m. Friday to go Christmas caroling in the neighborhood, Miss Sandra Baker, director of the caroling project, announced today.

The young people will return to the church for refreshments after touring the area, she said.

Senior high church members will gather at First Baptist at 2 p.m. Saturday to decorate the Christmas tree under the direction of Kim Gauden. The same group also will start work on a youth recreation room project, a church spokesman advised.

Bethany Class Yule dinner

Bethany Class members from the First Baptist Church in Madison met at the Grand Cafe Monday evening for a Christmas dinner party.

Mrs. Lucille Veach gave the invocation followed with devotions entitled "What Makes a Christmas" given by Mrs. Vasta Williams, the class teacher.

The remainder of the evening was spent singing carols and exchanging gifts.

Those attending were Mesdames Nora Bartley, Ethel Stone, Gertie Ashford, Marjida York, Virginia Brasfield, Hilda Jackson, Bernice Whitten, Mary Link, Mary Lajunen, Pauline Corey and guests, Mrs. Norma Eaves, Mrs. Beda Bolin and Mrs. Veach.

Public may view movie of Israel

The Nameoki United Presbyterian Church, 1700 Pontoon Road, will sponsor a movie, entitled "His Land," at 7 p.m. Sunday, according to the pastor, the Rev. Don F. Pierson.

The one-hour color feature film takes the viewers on a journey through space, time and current events, he explained.

Spanning an era from ancient to modern times, the picture filmed in Israel is rich in color and authentic sights and sounds, with a popular musical score composed and arranged by Ralph Carmichael. The presentation has been called a musical journey into the soul of a nation, the minister said.

The public is invited to attend the showing, the Rev. Pierson added.

Pamela Cason is bride-elect

Plans for a May wedding were revealed with the engagement announcement of Miss Pamela Cason and Lawrence Harmon by the bride-to-be's parents, Mr. and Mrs. William Cason, 2530 Ivy Lane. Miss Cason graduated this year from Granite City High School and is enrolled at Lewis and Clark Community College where she is studying nursing. She also is employed in the office of a local physician.

Her fiancé is a son of Mr. and Mrs. Thomas Harmon, 51 Jayland Lane. He is a fourth year student at St. Louis University's School of Medicine and will graduate in May.

150 attend gala party at legion

About 150 persons attended a Christmas party and dance during the weekend at Tri-City American Legion Post 113 hall, 1225 State St., with guests being greeted by several candidates for state, county and township offices and a special visitor—Santa Claus.

The gala affair was sponsored by the Nameki Township Youth in Action Citizens Committee. Mrs. Helen Hawkins served as chairman.

Two large Christmas trees illuminated with colored lights and gaily decorated with ornaments created a festive atmosphere for the party.

Musical entertainment was provided by "The Invincibles" of Belleville. Twenty-two gifts donated by local merchants were presented by Santa to guests.

Among the candidates and their wives attending were Mr. and Mrs. George Musso, Mr. and Mrs. Wendell Durr, Mr. and Mrs. Ted Bennett, Mr. and Mrs. Dave Partney and Mr. and Mrs. Louis Whitsell.

BRIDAL SHOWER
Mrs. Daniel Bixler was honored with a miscellaneous bridal shower at the home of Mrs. Hilda Sullivan, 617 Chouteau Ave. A mistake was made in reporting the shower theme in last Thursday's Mitchell column.

League wants new districts

The League of Women Voters of Illinois, at a two-day meeting of local League Presidents, representing the 10,000 members in the state, has re-

affirmed its support of single-member districts for the Illinois House of Representatives.

The League believes an amendment to reduce the size of

the House of Representatives from 177 to 118 members, to provide for the election of one representative from each of 118 districts and to abolish cumulative voting and multi-member districts, would result in a "more responsive and visible legislature."

The League has just completed a two-month re-evaluation of this position, originally established in 1970 following intensive study during its Constitutional Convention deliberations in 1969.

League members throughout the state will participate in a petition drive to place such an amendment to the constitution on the November 1974 ballot.

Democrat Club hosts Christmas dinner

The Madison Ladies Democrat Club held its Christmas dinner party at the Sportsman's Club in Madison last week with entertainment furnished by The Bell Ringers, a musical group from the Madison Methodist Church, led by Mrs. Dorothy Lönberger. She was assisted in the program by Mrs. Ruth Lönberger.

Those performing included Denise Forester, Ellen Vogele, Beatrice Gott, Marian Gott, Sylvia Gott and Brenda Gott. In addition to Christmas carols a special religious selection was dedicated in memory of the late Dr. John Lee.

Mayor Mike Sasyk, the guest speaker, was introduced by Mrs. Ann Gavilsky, president. Hostesses for the evening were the club officers who

arranged to have Santa visit the group with a bag of gifts.

Games were played and the remainder of the night was spent dancing to the music of Vince Debevec and Stan Sobieski.

Those present were Ann Gavilsky, Christine Green, Gisela Gott, Juanita Jörn, Catherine Hakkarienen, Hazel Swigert, Frances Trotts, Sue Miller, Minnie Brown, Violet Rader, Ida Dant, Lee Krgan, Vera Sikora.

Ann Bialzak, Blondie Dillon, Mary Rogenski, Mary Kreskovich, Elizabeth Yankoff, Georgia Graham, Betty Dobrowolski, Maxine Costello, Winnie Sasyk, Laverne Harro, Rose Rodgers, Cora Barr, Lydia Henderson, Josephine Knezevick and guests, Barbara Singlar, Sarah White, Vicki Eckelle, Adele Wasyjak, Louise Riggs, Catherine Palazzoli, Judy Eichholz, Oise Southwick, Violet Dobrowolski.

ENJOYING SUNSHINE at Del Webb's resort retirement community at Sun City, Ariz., during a recent vacation are Mr. and Mrs. Mark Pickett, 2625 Edison Ave.

Mrs. Donna Hlava and Fred L. Hacke are wed

Mrs. Donna Fay Hlava became the bride of Fred L. Hacke on Nov. 9 in ceremonies performed in the home of Mr. and Mrs. Fred L. Hacke Sr., 26 Riviera Drive, parents of the bridegroom.

Officiating at the double-ring, candlelight service was the Rev. Roy L. Baugh, pastor of Netheringham United Methodist Church.

The bride is a daughter of Mr. and Mrs. Charles Achter Jr., 1673 Second St., Madison.

Decorations for the ceremony were greenery interspersed with pale pink rose garlands.

highlighted by tall pink tapers in crystal holders. Miss Lesa Hacke, a daughter of the groom, served as candlelighter.

Matron of honor was the bride's sister, Mrs. Charlene McKinney of Hastings, Neb., and serving as best man was the groom's father.

A reception was held immediately following the ceremony at the Hacke residence for approximately 60 relatives and close friends.

After a wedding trip the newly married couple are residing in Granite City. Mr. Hacke is employed at Cochrane Wolf Real Estate Co.

Joint meeting of Cub Packs

Cub Pack 108, sponsored by Lake School PTA, held its Christmas Pack meeting jointly with Pack 121, sponsored by Wilson School PTA, at Wilson School.

The meeting opened with a candle reading by Richard Foote Jr., den chief, who is a Life Scout with Troop 90.

Sponsored by the First Methodist Church in Madison.

Colors were posted by Kerry Flinn, John Paschedag and Rick Wolf of Pack 121 under the leadership of Mrs. Lona Summer and Betty Ramey, den leaders.

Richard Foote Sr., committee chairman, for both packs in attendance the committee and guests.

Senator Sam Vadallabene of the 56th legislative District presented the leaders of Pack 108 and 121 with a flag of the state of Illinois. Each boy and parent received a personally autographed Handbook of Illinois Government from the senator.

Foote presented the "Meaning of Christmas" certificate.

Following the skit, the boys led the audience in songs with the singing of "Jingle Bells." Presenting in Santa Claus who presented each boy with a gift and candy.

Hubbell by Rick Lucido, Cubmaster for Pack 108, for contributions she has made to the pack as an honorary den leader.

"Who or What Am I?" was played under the directions of Foote, den leader coach, for both groups. Acting the part of "Santa's Helper" was Mrs. Nora Chancellor, while Ernest Hubbard was a "Bag of Toys."

"Unwrap the Gift" was played by all children in attendance with Norman Kinder, John Paschedag and Tom Chancellor winning a snow scene paperweight.

A skit entitled "The Meaning of Christmas" was performed by Kerry Flinn, John Paschedag, Rick Wolf, Norman Kinder, Ronnie Harlin, Dennis Grimm, Bradley Hubbard, Jimmy Smith, John and Tom Chancellor and Jerry Phillips, under the leadership of Lucido and Mrs. Norma Kinder, den leader for Pack 108.

Following the skit, the boys led the audience in songs with the singing of "Jingle Bells." Presenting in Santa Claus who presented each boy with a gift and candy.

Mrs. Lona Summer accepted an American flag for Pack 121 from Balazs Magyar who represented American Legion Post 307. Mrs. Summer presented Magyar with an appreciation certificate.

A "Special Thank You Certificate" was given Mrs. Wanda

Mrs. Foote announced a father-son bowling party at Bowland, followed by dinner at the Venice-Madison American Legion on Dec. 26.

The next meeting will be Feb. 5 at Lake School and will be the annual Blue and Gold banquet featuring the Indian Dancers of Explorer Post 6 as guests.

Madison Methodist program

The United Methodist Church of Madison, Fifth Street and Ewing Avenue, will observe the third Sunday of Advent this weekend with Sunday school at 9:30 a.m. and morning worship at 10:45 a.m.

"Christ and the Shepherds" will be the title of the morning sermon to be delivered by the Rev. Donald Bogue, pastor.

A "Christmas Celebration" will be the theme of the traditional Yuletide program at 7 p.m. Sunday in the church sanctuary. Pupils from the Sunday school departments will present recitations, songs and plays.

Stork shower for Mrs. Hodge

Mrs. Gloria Hodge was complimented at a stork shower this week given by her sisters-in-law, Mrs. Mary Ellen Gass and Mrs. Diane Gass, at the former's home, 2425 Iowa St.

The honoree is the former Miss Gloria Gass. She is the wife of Airman First Class Daniel Hodge who is stationed with the U. S. Air Force in Thailand.

A decorated playpen was used to display the shower gifts and tiny, marshmallow "stork" bears were presented to the guests as favors. Games were played and prizes were awarded these evening.

Refreshments were served by the hostesses to Mesdames Stella Jarnetaux, Shirley Nobus, Verna Masters, Kathy Martinez, Renee Arnold, Janet Brewer, Roy Hill, Margie Pratt, Shirley Morgan, Pat Morgan and Lois Hodge, the honoree's mother-in-law who received a special prize.

Mrs. Hodge is making her home with her parents, Mr. and Mrs. William Gass, 3024 Sunbury Ave., while her husband is serving overseas.

GIRL SCOUTS TOUR SANTA'S TOYLAND

Brownie and Junior Girl Scout troops from Washington, Logan, Emerson and Netheringham schools were escorted through "Toyland" at Famous-Harr Co., St. Louis, Monday night as a holiday excursion.

Ninety-three scouts and 20 adults enjoyed the trip that also included visits to the pet department and toy floor of the St. Louis store and a tour of the scenic window display.

They also visited Santa Claus and received special gifts.

HONORED FOR SERVICE. At retirement ceremonies in his honor, Sergeant First Class Merton E. Castellini of the Troop Support Command is presented Department of the Army Certificates of Appreciation and Retirement. Major General Hugh R. Higgins, commander, makes the presentation at a special ceremony in his office at the Command headquarters, St. Louis. SFC Castellini entered the Army Sept. 11, 1947, at Montpelier, Vt. In addition to stateside assignments, he served tours of duty in Austria, Korea, Germany, and two tours in the Republic of Vietnam. SFC Castellini is married and has two sons, Steven, 18, and James, 15. The family lives at 2001 Rhodes Ave., Madison.

Credit union to build

A petition by the Granite City Steel Credit Union for rezoning of 2001 to 2017 Lee Ave., to build a new credit union building will be considered by the Granite City Plan Commission at its regular meeting at 1:15 p.m. today.

The credit union is seeking a change from the present R-5 multiple dwelling district classification to a C-1 light commercial zoning. The organization presently is tearing down houses on the proposed site.

The Plan Commission also is to consider a petition by John Sobol and Louis Paschoff for 1 Brincliffe Drive at Pontoon Road. A change from an R-2

single family dwelling district to a C-2 commercial classification would allow a building to be erected for retail or wholesale purposes.

A petition from Jack Hood, MFA Insurance agent, also is to be considered for a special use permit at 2809 Madison Ave., housing an insurance office. The property presently is an R-3 single family dwelling district. The Plan Commission makes recommendations to the Granite City Council on the requests.

The regular meeting of the city's Board of Appeals, which was to be held Wednesday, has been cancelled because no petitions were submitted for consideration.

COURSE GRADUATE. Roy Koberna (left) of the Granite City Police Department and 22 officers from as many departments completing a four-week Police-Community Relations Officers Course conducted at the University of Illinois at Urbana-Champaign by the Police Training Institute of University Continuing Education. He is shown with Prof. Frank L. Mancella, coordinator of the program.

Grigsby Christmas Concert

The Grigsby Junior High School band and Mixed Chorus will present a Christmas Concert for the public at 8 o'clock this evening at the school. Admission is free.

Directing the choral group will be Mrs. Deloris Barker. Miss Vivian Raffaele directs the band.

The chorus will sing "Silver Bells," "Night Before Christmas," pantomimed by Santa Claus; "Let There Be Peace on Earth," "Are You Worried?" and "What Is This Love" that will feature drummer Don Walton.

guitarist Joe Bolt and soloist Darla Springer.

"The Christmas Song" will be performed by both the band members and chorus. A girls' ensemble will perform "Do You Hear What I Hear?" and "Christmas Song."

Selections to be presented by the band will include "Patrol 76," a march; "The Traveler," an overture; "Spirit of Christmas," "Tropical Twilight," "Rudolph Christmas Concert" and "Old Fashioned Christmas."

Olin plans new rolling mill

Olin Brass plans to install another rolling mill at East Alton to meet increased demand for light-gauge copper and copper alloy strip.

"In recent years, demand for a light-gauge strip with closer tolerances has accelerated steadily, and the new installation will enable us to provide fast deliveries," said

Edward W. Ruhe, Olin Brass president.

The rolling mill also will improve the company's ability to meet anticipated demands for Post-Bond metal (clad metal in strip form) for bi-centennial coins, he said.

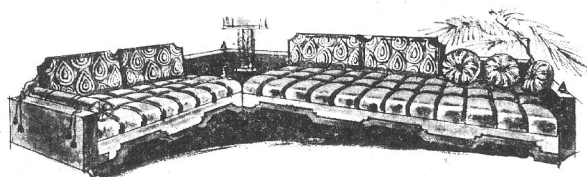

The mill, which is scheduled to begin operating in the late summer of 1974, will cost more than \$2,500,000. It is part of an expansion program that will extend through 1980 at Olin Brass's complex at East Alton. Olin Brass is part of Olin Corporation.

FIRE AT SCHOOL

A fire in the boiler room of Washington Grade School, 2600 W. 30th St., caused minor damage to a boiler sump Sunday. Granite City firemen were called to the school at 6:22 p.m. and remained on the scene about 30 minutes. The blaze was started when a transformer on the boiler burned out and ignited a pool of oil.

Big cut in fuel usage at SIUE

SIUE cut natural gas consumption 18.2 per cent during November compared to usage rates of a year ago, C. N. Moorleghen, assistant vice president for plant operations, said Wednesday. Consumption of electricity during November was reduced 10.25 per cent.

The federal government's Energy Council requested a nationwide reduction of 7 per cent on Nov. 8.

SIUE used 20,100,000 cubic feet of natural gas and 2,268,000 kilowatt hours of electricity in November. The university had consumed 24,082,000 cubic feet of natural gas and 2,527,000 kilowatt hours of electricity during November 1972.

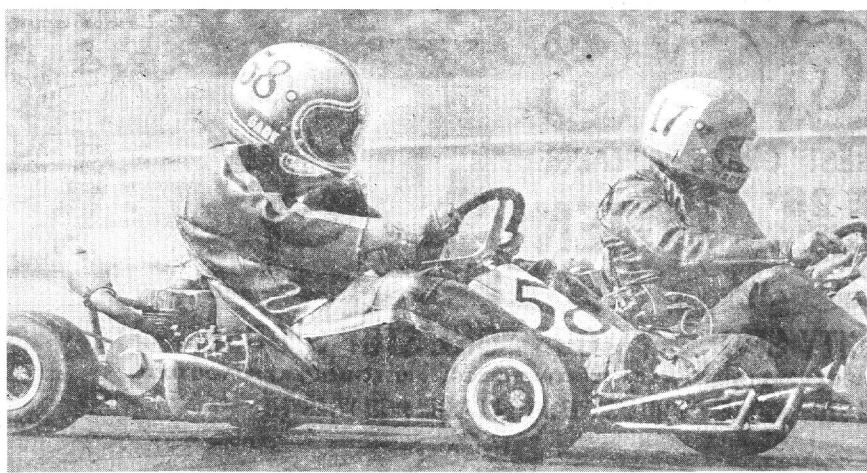

Substantial savings in gas consumption were made by reducing thermostat settings in central core buildings from 72 degrees to 68 during the day. From 10 p.m. to 6:30 a.m., temperatures are automatically reduced further. Only data processing and science laboratories, which require constant even temperatures, are exempt from the cutback.

Chronotherm clock-thermostats are being installed in outlying tract houses to maintain 68 degrees during the day and 50 degrees at night.

Illumination in most hallways has been cut 50 per cent and outside lighting is being kept to a minimum. Moorleghen said lower light levels and the shutdown of air-circulation fans in the central heating system at night accounted for most of the saving in electricity.

STOVE IS REMOVED

Robert Davis reported at 8:30 p.m. Monday that a stove worth \$14 was stolen from the house into which he was moving at 209 Maryville Road.

GO-GO GUY. Gary Vogeler (left), a Coolidge Junior High seventh grade student, is the 1973 season champion of the St. Louis Go Kart Club. He raced each Sunday in the Junior class at Boschertown Speedway, St. Charles, and also took part in Eastern Winter Nationals at Memphis on the Thanksgiving weekend, placing seventh among 20 entries in his class at the latter event.

His vehicle is maintained by his father, George Vogeler, and is sponsored by Gebco Machine, Inc., of Granite City. It reaches speeds of 60 miles an hour on straightaways and has hydraulic disc brakes. The driver is protected by a suit of vinyl leather and a full-coverage helmet.

Sir Kelly, of Madison police K-9 fame, dies

By WALTER STRANGE
Press-Record Staff Writer

"Sir Kelly," the Madison police K-9 German Shepherd for the past 12 years, died of a brain tumor last week at an animal hospital in Alton.

Over his 10-year span on active duty with the Madison Police Department, Sir Kelly

assisted police departments in Granite City, Venice, Pontoon Beach, East St. Louis, Collinsville, Alton and the Madison County Sheriff's department.

The dog was the official mascot of Explorer Post 10-4 and demonstrated his skill at disarming and searching out the "bad guy" at the local Boy

Scout Scout-o-rama at Wilson Park.

Headlines in the Press-Record frequently heralded the accomplishments of Sir Kelly. A few of the many headlines read as follows: "Madison's Sir Kelly to Patrol Schools," "Madison Officer, Dog Route Office Thieves," "Sir Kelly

finds juveniles hiding," "Abduction of Woman by 3 men is foiled."

Headlines also greeted Sir Kelly when demonstrated his talents at Scout meetings, Cub Scout Pack meetings and at the schools. Although Sir Kelly was trained to be vicious, daring and

suspicious of all strangers, at home he was like any other dog, romping and playing with his trainer's children.

Sir Kelly joined the Madison force in November 1963 when then Sgt. Frank Dutko (now chief-of-police) was his trainer. The Madison Rotary Club and Lions Club each donated \$400 to purchase the dog, and pay for the training of the dog and his handler.

For the past eight years, Sir Kelly has lived with Sgt. Ronald Grzywacz and his family.

"Sir Kelly was not just a police dog, he was a member of our family," Grzywacz said. "My wife, my children and I feel the loss as if he were human. He was a great partner on patrol and was fearless when working."

"The entire Madison force will miss Sir Kelly," Chief Dutko commented.

"He was in every sense of the word a police officer. Although he was only friendly to Sgt. Grzywacz and my family, Madison's officers and police officers in the entire area felt he was a valuable member of the law enforcement team."

Sir Kelly was laid to rest in the back yard at Sgt. Grzywacz's home.

McCune in legislative race

Lloyd McCune, Godfrey factory sales representative and a Democrat, announced Wednesday that he will be a candidate for state representative of the 56th legislative district. McCune filed petitions of candidacy at the secretary of state's office in Springfield this week.

In a statement issued by McCune, he said:

"I do not run to oppose any man, but to oppose the endless broken promises. I run because I am convinced that we, the people, have been reduced to a helpless, overtaxed, silent majority and forced to swallow whatever is dished out to us."

"Wasteful spending, tax relief and government secrecy are major issues. Enactment of a strong political campaign disclosure legislation is a must. It is clear that the sources of political corruption, bribery and extortion, flow from the power of government, at all levels, to control the public purse."

"Not one of the many proposals, introduced to control this corruption, has managed to attain legislative approval. Illinois lawmakers are fearful that strong disclosure laws will dry up lucrative sources of campaign funds."

"Full disclosure in government means a government truly accountable to its citizens. Dark crawling things have never been able to tolerate the light of day. Let us put a little light on the subject."

"In the last five years, the cost per year of state government has almost tripled, from \$2.35 billion to 7.4 billion. Why? Tax relief is at the mercy of wasteful spending, so we ask, where are all the better and extra services?"

"The legislature should not have passed, as it was written in one package, the RTA and lottery bills. This bill was approved at the expense of tax relief and attempts to restore the funds for the teacher's pensions, state universities and some \$60 million for local

governments as the replacement for the money lost due to the abolition of personal property tax."

"We have been promised time after time tax relief; all broken promises. Some of the legislation that I would propose would be an across-the-board reduction on the sales tax and also property taxes."

"Because there can be no democracy if we do not exercise and perform our civic duties by voting and far too many people do not vote. I would propose legislation that would in effect pay by voucher at the time and place of voting - a certain sum that would be used as a deduction on the state income tax return. Frustrated expectations and disappointed hopes in today's government are very real - it is time for a change."

Fashion show at MHS Sunday

A "Fashion Show" will begin at 2 p.m. Sunday in the auditorium of Madison High School under sponsorship of the Year Book staff.

Tickets are 50 cents each and may be purchased at the door or from any senior girl. Monies being raised will help publish the school year book.

In addition to refreshments, tap dancing will be performed by Kelly Dutko, Cindy Coghlan, Peggy Stanger and Donna Holt, all of whom also will model.

In addition, modeling will be done by Mary Macko, Janice Mueller, Delores Pakley, Teresa Saksa, Karen Lassen, Jeannie Paskus, Leslie Young, Henrietta Whitner and Helen Zelenka who is chairman of the event.

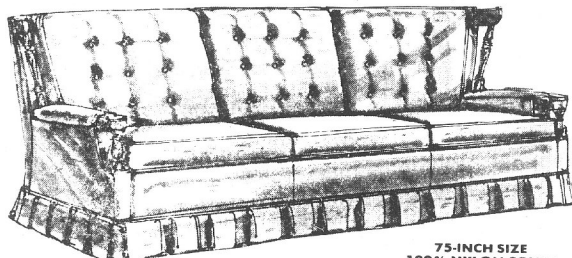

Teachers modeling will be Mrs. Lillie Valley, Miss Glenda Daggert, Mrs. Lavenia Long and Miss Charlie Ann Hackett. Assisting with the fashion show will be Mrs. Delores Folkerts, school counselor, and Mrs. Patricia Krinski, an English teacher.

Seasonal dinner at St. Mary's

St. Mary's Parent and Teacher organization held a holiday dinner party Monday in the school cafeteria. The area was decorated in a seasonal theme, with a Santa Claus motif predominating.

Each table featured a green runner over a white cloth and was centered with Santa figure and a replica of his boots filled with holly and candy canes. Small Santas were used as individual favors.

Those attending the dinner party included the Rev. Sylvester Micek, the Rev. Conrad Motola, the Rev. Englebert Bielek, Mary Lou Rogerski, Jane Tolar, Betty McCannahan, Mary Kulosza, Connie Grupas, Eva Majkut,

Sisters Agnes, Marie, Celina, Jo Ann and Bernadette, Margaret Kulosza, Mary Doctor, Helen Mooshagian, Beatrice Stenitzer, Delores Drinker, Max Hill, Eleanor Tutka, Rosalie Stern, Cissy Ringel, Adele Wasylak, Mary Firtos, Hattie Mulnick, Helen Baron, Janet Werner, Elsie Gordon, Louise Lewis, Mildred Votoupal, Pauline Sobolewski, Jane Sasyk, Mary Domanski, Irene Baker, Helen Rolings, Gerry Mendez, Kathy Dohnal, Carolyn Champion, Alda Yeuko, Jane Modrusic, Judy Modrusic, Angie Vdell, Sylvia Kositsky, Mariue Brinker, Frances Zakokita, Frances Steiner, Dorothy Novosol, Wanda Rogenski and Connie Schiller.

Evening Guild gives program

The Evening Guild of St. John United Church of Christ held a joint meeting with the St. John Brotherhood Monday night and presented a program entitled "Christmas In Other Lands."

Directing the presentation was the Rev. Carl Eschenbrenner, associate pastor of the church, who was assisted by Mrs. Marian Hamilos, Mrs. Willowdean Walker, Mrs. Velma Farrance, Elmer Stille and Jim Healey.

John Miller led the group singing, with Mrs. Marie Withdows at the piano.

Twenty-one guild members were present and one guest, Mrs. Withdows. The group welcomed a member, Mrs. Lida Theis, and honored Mrs. Helen Robertson and Mrs. Dorothea Kirksey on their birthdays.

STOLEN FROM LOT

The 1965 model auto owned by Mrs. Carl Fuller, 2707 Roosevelt Ave., was stolen from the Granite City Trust and Savings Bank car rental parking lot, it was reported last week.

Xi Epsilon Chi meets in Venice

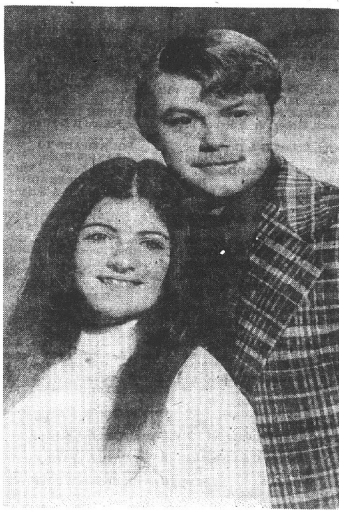

Xi Epsilon Chi Chapter of Beta Sigma Phi Society held its 187th meeting in the home of Mrs. Jack Tolliver, 1250 Klein St., Venice, last week.

Mrs. L. E. Rains, president, reviewed the rules and regulations of the sorority and Mrs. William Laurie, social chairman, discussed plans for a Christmas party Friday evening at the Top of the Towers Restaurant, St. Louis, followed with a Yule gift exchange at the home of Miss Ruth Stoyanoff.

Mrs. William Druhe expressed appreciation to members for donations of canned goods to be included in a Christmas basket for delivery to an elderly couple during the holidays.

The cultural program "We Live in Moments" was presented by Mrs. William Koenig who read passages from the book "Gift From the Sea" by Anne Morrow Lindbergh. A poem by Charles Hanson Towne, entitled "Around the Corner," was read by Mrs. Harvey Ebling to emphasize the theme—"We Exchange Time for Experience."

The closing ritual was recited in unison and a dessert course was served by the hostess to those named and to Medames Carl Byrnes, Eugene Ebling, William Forrest, Ralph Halde-man, James Herr, Michael Lombardi, Phil Tugalaroff and Martha Jean Dyer.

Essington-Smith betrothal

The engagement and plans for a May wedding of Miss Laura Jane Smith and John Gordon Essington were disclosed by the bride-elect's parents, Mr. and Mrs. Clifford C. Smith, 2832 State St., this week.

Mr. Essington is a son of Mr. and Mrs. Alvin C. Essington, 3922 Central Lane. He graduated in 1970 from Madison High School and is now employed at Consolidated Aluminum in Madison. He also is a member of the National Guard.

Chili supper at Emmanuel Baptist

Emmanuel Baptist Church, 1801 Pontoon Road, served a chili supper Wednesday evening, followed by a foreign missions book study taught by the Rev. Keith Stanford, superintendent of missions for Madison County Baptists.

Sunday evening at 7:30 p.m., the choir and pastor, the Rev. Arthur Short, will present John W. Peterson's popular cantata, "Night of Miracles."

Solists for the presentation will be Joann Stanton, soprano; Dwain Bridges, baritone; Ronnie Stagner, tenor; Leon Noel, bass. Piano accompanist is Becky Noel. The choir is under the direction of Mrs. Arthur Short. The public is invited to attend.

The church's annual Sunday School Christmas program will be presented at 7:30 the night of Dec. 23. Director for Emmanuel Baptist Sunday School is Russell Lewis.

Junior Garden Club holds Yule party

The Junior Fair Oaks Garden Club attended a Yule party last week in the home of Kim and Robert Blankenship. The program featured a demonstration on how to make pot-pourri, presented by Miss Kim Blankenship.

During the week seven of the members met in the home of Kim and Robert Blankenship. The project were Kim and Robert Blankenship, Jennifer Herman, Mary Lou Metcalf, Jeff Lamb, Kathy Cornelison and Doug Pester.

To perform with Civic Ballet at SIUE

The Prelude Civic Ballet Company of Southern Illinois, a non-profit organization, will feature its dancers in a Christmas Festival de Dance in the Communications Theatre at Edwardsville at 3 p.m. Sunday.

Two local girls will make their debut with the Prelude Ballet Company. They are Taina Kilponen, 16-year-old daughter of Mr. and Mrs. James Kilponen of Rural Route One, and Elizabeth Wilkins, 10, daughter of Dr. and Mrs. George T. Wilkins Jr., 1204 Twenty-seventh St.

Appearing on the same program as guest artists will be the St. Charles Ballet Company of Missouri, and Mrs. Janet Lee, dancing Spanish works which she has performed with leading artists in Spain.

Tickets will be available at the Communications Building box office at SIUE.

Both Taina and Elizabeth have studied ballet for the past six years. Two years were spent under the tutelage of Mrs. Milli Hoelscher, a former Granite City resident and four years at the Academy of Dance under the direction of Mrs. Doris Diep of Collinsville.

Taina, a fifth grade pupil at Lake School, enjoys such hobbies as skiing, swimming, horseback riding and tennis. She also plays the flute for relaxation despite a demanding ballet training schedule.

Last year, Elizabeth won an award as the best all-around girl athlete in the fourth grade at Niedringhaus School. She is now a fifth grader and plays alto saxophone in the school band. Her past-time includes knitting, swimming, skiing, sailing and dancing.

Prelude Civic Ballet is designed to offer the young

dancer performing opportunities of professional caliber. Dancers in the company are chosen in auditions which are open to all dancers regardless of where they study. Only the above average, hard working and interested dancer is chosen.

The aim of the program is to develop good dancers and good dance audiences. Those taking part may never become professionals, but through this medium they discover the rigorous life and dedication demanded of a dancer, a spokesman for the company explained.

Through the experience gained in the company, the participants become good members of the dance audience—interested, knowledgeable and discriminating in the art form.

The youthful dancers entertain a professional atmosphere and attitude, and a strict class and rehearsal schedule while receiving the happy experience of expending themselves in the "labor of love" demanded by the arts and, at the same time, achieving their ultimate purpose—to provide, promote, present and give pleasure," the company spokesman said.

WOMAN IS HURT

Ethel Kee, 56, of 2028 Ohio Ave., suffered minor injuries when her car and the auto of Edward Stuart, 258 Center St., collided at 20th Street and Cleveland Boulevard at 6:25 a.m. Wednesday. Stuart was charged with a stop sign violation.

Pulianas on hospital board

George Pulianas, Granite City Steel Co. vice-president of administration, has been elected to the Board of Governors of St. Elizabeth Hospital.

The steel firm executive fills a post on the governing board left vacant since the death of Lyle C. Guley, former Granite City Steel president, earlier this year.

Pulianas joins four other laymen and six sisters from Catholic orders on the board. Mother Mary Paul of the Sisters of Divine Providence Motherhouse in Normandy, Mo., is board president. Other officers are C. E. Townsend, publisher and former editor of the Granite City Press-Record, vice-president, and Sister M. Marce of St. Elizabeth Hospital, secretary-treasurer.

Also members of the Board of Governors are: Sister Mary Thomas, St. Elizabeth Hospital administrator; Sister Mary Ann of the Divine Providence Motherhouse; Sister Marie Clare Scheible, O.S.F.; St. Joseph's Hospital, Highland, and Sister M. Isidore Lennon, R.S.M., St. John's Mercy Hospital, St. Louis.

Board members also included are Dr. Dr. John S. Rendleman, president of Southern Illinois University at Edwardsville, Dr. Leo Sachar, a St. Louis physician and Attorney Leo Konzen of Granite City, ex-officio member.

Truck protest impact is felt in area today

C&H Transportation Co., 2195 W. Chain of Rocks Road, does not have trucks entering its terminal today. Terminal Manager Ira Anderson told the Press-Record, "The drivers are either participating in the national protest or just staying at home."

W. L. Waggoner Trucking in Madison operated normally today but Tony Hazelwood, terminal manager of Sims Motor Transport Lines, Granite City, said 50 per cent of the company's individual operators did not report "because they fear violence if they run." Aetna Freight Lines, 1501 Grand Ave., had 75 per cent of its business affected by the protest, which began today and is expected to continue tomorrow. "At Troy and Effingham in Illinois, if a trucker pulls into a truck stop he is prevented from leaving," a truck official reported. Smithway Motor Express, Madison, reports it is operating on a day-by-day "wait and see" procedure. Some truckers report paying 38.5 cents a gallon in Illinois, 44.3 in Missouri and as high as 47.8 in Iowa for diesel fuel.

News notes

A public hearing on proposed pollution control rules involving roads, shopping centers and other indirect sources of air pollution is set for 10 a.m. Monday, Dec. 17, in the Belleville City Council chambers. Plans call for a requirement of state permits before such facilities can be constructed.

The Great River Riders Bike Club will sponsor its second annual "snowball ride" Saturday, starting at 10 a.m. at the new Crossroads Shopping Center on N. Hwy. 12, in Belleville. The fee of 50 cents includes insurance and refreshments after the ride of eight to 12 miles. Polar bear patch qualification is given for below-freezing bike rides.

\$1,000 BURGLARY
Items valued at more than \$1,000 were stolen from the home of Haskell Pyatt, 2808 Yale Ave., after a window on the north side of the house was broken, it was reported at 2:10 a.m. Wednesday. Taken were two television sets, 70 tape recordings in three cases, \$1 cash and several Christmas packages.

7 in Demo legislative race

An open primary battle for two Democratic nominations as state representative of the 56th legislative district and opposition to Cong. Melvin Price (D-East St. Louis) for nomination as congressman of the 23rd congressional district developed during the first two days of filing by candidates at the office of Secretary of State Michael J. Howlett at Springfield.

A total of seven candidates for the Democratic 56th district posts filed petitions of candidacy Monday and Tuesday. The filing period opened Monday and will continue through next Monday.

A race for the prestige post of Democratic state central committee member of the 23rd congressional district also is in the making, with former Mayor Alvin G. Fields of East St. Louis

a candidate for re-election. Fields had announced earlier that he would not make the race next year.

Richard Allen, Granite City attorney, filed petitions for the committee's race Tuesday. In addition, James Chapman, Collinsville, former Madison County recorder of deeds, has been endorsed as state central committee candidate by the Madison County Democratic Committee.

Democratic candidates filing for state representative in the March 19 primary election

include Horace Calvo of Granite City, incumbent; Ted Bennett, Edwardsville; Donald Dreith, Alton; Sam Drenovac, Granite City; Joe Lucco, Edwardsville; Dan O'Neill, Alton, and Lloyd H. McCune, Godfrey.

Three Republicans filed for state representative. One Republican representative is elected in the 56th district. Those filing are Robert J. Walters of Alton, incumbent; Everett Steele, Glen Carbon, and Gerald D. Cohn of Bethalto. Opposing Cong. Price, who is seeking his 16th consecutive term, is William Bordeaux, 27, of East Alton, a newcomer in politics. Bordeaux is a substitute school teacher for several school districts. As of Tuesday, for Republicans had filed in the congressional primary.

Bid within estimate for work at 4 intersections

Scheduled improvement of four Granite City intersections attracted a low bid of \$316,277 Tuesday, a figure less than the estimated cost.

The bid was submitted by MacIair Asphalt Co. Inc., Collinsville. Staff engineers had listed an estimate of \$322,000. The project involves resurfacing, widening and traffic signals at the intersections of Madison Avenue at 20th Street, Niedringhaus Avenue, 23rd Street and 27th Street.

The Illinois Department of Transportation opened bids on a total of 94 road improvement and maintenance projects totaling \$86 million on Tuesday. It was the last bid letting of 1973; the first in 1974 is set for Jan. 31.

Apparent low bids on other Madison County projects, along with advance cost estimates, were as follows:

4.1 miles of pavement on Bern Highway between Henry Street at the south edge of Alton and 11.3 near Wood River, includes traffic control signals

Inflation squeezing hospitals

The Illinois Hospital Association, representing nearly 300 hospitals, has written the Cost of Living Council to voice strong opposition to proposed Phase IV health care regulations under the Economic Stabilization Program.

David W. Stickney, IHA acting executive vice president, charged that the new rules under ESP Phases I, II and III have not provided for the special problems of hospitals and that hospitals have been among the hardest hit by inflation.

Under the proposed rules, hospitals will have a basic limitation of 7.5 per cent on increases in inpatient charges and expenses per admission in a fiscal year. Hospitals would be forced to absorb any increases in their costs and services exceeding that.

If they cannot absorb the additional increases, and many cannot, Stickney said, services will have to be cut.

The letter said the Council misinterpreted the intent of Congress when the CLC put dollar limits on hospital expenditures and revenues per admission.

"This is an obvious intervention in the practice of medicine. When dollar restrictions bring to a halt the implementation of newly discovered or developed techniques of medical treatment, then economic stabilization becomes a retardant to the health of the American people," the IHA said.

"The regulations have not taken into consideration the special problems of hospitals. Hospitals have not been so much the cause of inflation as they have been hardest hit by inflation. Hospitals are labor intensive, use labor intensive supplies, are subject to overnight obsolescence, and use large quantities of food.

"All money that a hospital receives in payment for services rendered is returned to its patients in the form of medical care, the cost of providing that medical care, and the anticipated cost of providing medical care in the future.

The letter said that when the Economic Stabilization Program denies a hospital income reimbursement above direct operating costs, "then the hospital's community suffers because new services cannot be provided nor obsolescence remedied.

"Subjecting hospitals to rigid controls that attempt to put health on a cost-benefit basis and put a dollar value on human life is misguided and ill-conceived.

Schuler family greets friends

Mayor and Mrs. Paul Schuler of Granite City will send their official and personal greetings this Christmas to friends through a Press-Record advertisement and donate the funds usually spent for postage and cards to charitable organizations in the community.

The city's chief executive, his wife and their children, Cindy, Paula, Allan, Fred, Cathy, Terry and Joe, have chosen to send their season's greetings through the newspaper due to the current shortages. Mrs. Schuler said.

Amsted annual report urges end of wage-price controls

Joseph B. Lanterman, chairman, and Goff Smith, president of Amsted Industries, this week used the company's 1973 annual report as a communications forum to call attention to the failure of the wage-price control program to combat inflation.

The firm owns and operates the American Steel Foundries plant in Granite City.

The Amsted executives said immediate elimination of wage-price controls would be in the best interests of our economy. While they initially supported the administration's program to control inflation, Lanterman and Smith said, "It is evident such controls have become ineffective in stemming the supply-demand pressures that have occurred during the past year."

In fact, there seems to be little doubt that price restrictions have contributed to these pressures—by creating an environment where misallocation of resources is taking place and thereby creating shortages in basic materials as well as consumer goods.

They stressed that "perhaps more important than current shortages is the fact that expansion programs—that would increase the supply of goods and contribute to the reduction of inflationary pressures—are being delayed or discouraged due to the uncertainties facing many industries because of the prospect of continued price controls."

Amsted previously announced that its 1973 (year ending Sept. 30) sales and earnings reached all-time highs. Sales increased 22 percent to \$372,300,000 from \$306,200,000.

The combined sales of construction and general industrial products increased \$45,800,000 to a new high of \$247,400,000, which was 66 percent of total sales. Shipments of all items in these two product areas were up, with the largest increase being in the sales of water and waste transmission products.

Net income for the fiscal year amounted to \$15,100,000, up 24 percent from \$12,200,000 last year. Earnings per share rose to \$5.50 from \$4.41.

State offices schedule King birthday closing

The newest holiday for state employees, Jan. 15, will find state offices closed in observance of the birthday of Dr. Martin Luther King Jr.

A bill to make the date a legal holiday in the state was introduced last January by Rep. Harold Washington, D-Chicago. Rep. Peggy Martin, D-Chicago, and Rep. Susan Catania, R-Chicago. Gov. Daniel Walker signed the bill in September.

Since the law does not extend the Illinois School Code, it will be up to the various school districts as to how the day is observed in the schools.

Dr. King, a noted civil rights leader, was shot to death April 4, 1968, in Memphis, Tenn. at the age of 39. An escaped convict, James Earl Ray, pleaded guilty to the crime and was sentenced to 99 years in prison.

The King birthday becomes the 11th holiday observed by the state.

Two holidays are celebrated in January—New Year's Day on the first and King's birthday, February—Lincoln's on the twelfth and Washington's birthday on the third Monday; and November—Veterans' Day on the eleventh and Thanksgiving on the fourth Thursday (and the following Friday) in November.

The remainder of the legal holidays are Memorial Day, May 30; Independence Day, July 4; Labor Day, first Monday in September; Columbus Day, second Monday in October; and Christmas Day, Dec. 25.

Venice ok's \$30,000 in street work
A resolution ratifying an agreement with the Illinois State Department of Transportation for expenditure of \$30,000 in motor fuel tax funds for maintenance of arterial streets in Venice during the 1974 year was approved by the Venice City Council in regular meeting Tuesday night.

The council also approved the transfer of \$20,000 from the McKinley bridge fund to the 1974 Flood Damage and Sewer Repair account to pay sewer repair bills. The money is to be replaced in the budget account when the city is reimbursed by the federal and state governments.

Benjamin Honorable reported that sewer repair work has been stopped until the water table recedes. All sewers are functioning, he said.

Charles Berger, 1034 Third St., reported that gas fumes are leaking into his house and causing a dangerous situation. Berger said he believes the fumes are coming from the sewer lines.

Temporary Mayor Lloyd H. Patterson instructed Jack Tolliver, city engineer, and Jay Maurer, superintendent of streets, look into the situation immediately before there is a serious problem.

At the request of John Ervin, 4th Ward alderman, the council approved the purchase of two two-way radios for the fire department under an allocation for their purchase in the city budget.

A letter from the Blair School Parents Club thanking the council for its help with a supper program was read.

The November McKinley bridge traffic report said a total of 222,602 vehicles crossed the bridge for a daily average of 7,420 vehicular crossings during the month.

Patterson called a special meeting of the council for a p.m. Tuesday to review the city's financial status.

Insurance agent robbed by pair

Two young robbers, one displaying a pistol, stole the wallet and watch of John Bassett of Belleville at 5:25 p.m. Tuesday in a parking lot between Cleveland Boulevard, Delmar Avenue and 18th and 19th streets.

Bassett, Granite City agent for Ohio National Life Insurance Co., said there was only \$5 in the wallet plus several credit cards. The youths were about 16 years of age. Both were tall.

He started to resist the robbery before he noticed the pistol. Police searched the downtown area but were unable to locate the pair.

Six will join 25-year club

Tri City Grocery Company's Twenty-Five Year Club will hold its annual Christmas party Saturday evening at Veterans of Foreign Wars Post 1300 in Granite City.

The newest members to be inducted into the club are: Ray Ashcraft, Granite City; Harold Curry, Edwardsville; Joe Harding, Granite City; Charles Kregel, Alton; Tom Watkins, Granite City; and Andy Zelenka, Madison.

TROOPER BAUERS DIES
State Trooper Harry A. Bauers, 53, Caseyville, a trooper 23 years who was assigned to District 11 at Maryville, died of a heart attack at his home Tuesday night. The funeral will be at 11 a.m. Friday at a Caseyville mortuary. He is survived by his wife, a daughter and two sons.

\$1 billion in new plants

Over \$1 billion has been spent in the state of Illinois for sewage treatment plants during the past seven years, Michael Neumann, engineer for the Illinois Environmental Protection Agency, told the Evening Kiwanis Club at a meeting Monday in Charlie's Restaurant.

Neumann reviewed the agency's functions in regard to safeguarding from pollution, streams, lakes, rivers and other bodies of water.

The speaker was introduced by Kiwanian Marvin Barnes, program chairman. Visiting Kiwanian Joseph McBride was a guest.

President Howard Ehlertson reminded club members they are to be "bell ringers" for the Salvation Army on Friday. The club's next meeting Dec. 17 will be a Christmas party with their wives at Charlie's restaurant.

15% less gasoline here; stations try 10-gallon limit, close early

The Gasoline Dealers Committee of the Tri-Cities Area Chamber of Commerce met Tuesday to discuss the present gasoline shortage and to attempt to find a workable solution while the shortage exists. Chairman Earl Buenger presided.

Virtually all of the stations are now closed on Sundays, and most of them are limiting sales to ten gallons per customer. It was brought out. This is causing some difficulty with the regular customers because they feel they are entitled to a tank full, since they have been regular customers for many years, it was noted.

Even at this reduced rate, some stations are running out of gas at 3 to 4 p.m. daily, the discussion showed. A spokesman commented, "Service station operators feel that if everyone cooperated and shared the supply, we could learn to live with the shortage until we get relief."

Major points were made as follows:
1. Everyone should reduce his driving speed to help conserve gasoline.
2. All should eliminate unnecessary driving and try to do their shopping in one area, rather than driving to several areas.
3. Employers—especially the larger ones—should work out shifts, work hours, etc., and for car pooling arrangements so that employees can ride to work, three to four per car, instead of driving alone.

4. This would involve employees working out of their place each morning to either park their cars there or have someone take them to the meeting point and pick them up there in the evening.
5. The operators are concerned about pricing at the pump. Some suppliers have raised their wholesale prices as much as 3.6 cents per gallon and have not told the retailers whether or not they can pass it on, along with the necessary sales tax.
6. All members present agreed that the gasoline shortage is critical and that "it is going to take good cooperation from all drivers to live with it."

7. The committee agreed that local gasoline sales have been increasing about 6 to 7 per cent annually over the past few years. They have now been cut 10 to 12 per cent on supply, which means that the supply now is at least 15 per cent short of demand.

Petitions seek toll-free telephone calls to sheriff

Petitions asking for a toll-free telephone number at the Madison County sheriff's office are being circulated in all areas of the county where residents are served by the department but are outside of the free-call area from Edwardsville, it was disclosed this week.

The petitions were started by a group of Nameoki Township residents who say several recent burglaries have shown that a closer link with the sheriff's department is needed.

Residents said they took the idea from a Press-Record editorial and decided to try to make it a reality. The Press-Record also advocated that the sheriff's department investigate the feasibility of establishing a Quad-City office.

The office, with or without a dispatcher, could be supplied with radio equipment to help deputies keep in touch with the main Edwardsville office while handling local investigations. The Nameoki Township residents said they would support efforts for such an office.

Extend postal hours Saturday

The Granite City Post Office and all city substations will observe additional lobby hours for Christmas mailings Saturday.

Deadline near for tax relief

Monday is the deadline for senior citizens and disabled persons to file for 1972 property tax relief from the state. Cash grant application forms may be obtained by calling the Illinois Department of Revenue office at (312) 421-2150 in Chicago or 217-525-3335 in Springfield.

More talks on pay of deputies

The Madison County Board's six per cent salary boost offer was rejected yesterday by a committee representing 72 sheriff's deputies and jailers. The county had been seeking agreement in time for possible amendment of its 1974 budget no later than the Dec. 19 board session.

Filing for office young demos topic

Procedures of filing for political office were explained Tuesday by State Representative Horace Calvo (D-Granite City) to 50 members of the Madison County Young Democrats organization at a meeting in the Knights of Columbus hall at Bethalto. According to President Mike Garcia, the group will hear from various candidates for office after the final withdrawal date Dec. 22.

Energy conservation plan for schools recommended

Use small pans on small burners.
Eliminate all field trips.
Weather-strip all doors and recalc all windows.
Reduce overhead lighting by 20 per cent.

Set the thermostats at 68 degrees in occupied rooms.
These suggestions are part of an overall plan to reduce energy consumption in schools throughout the state. Approved by Superintendent of Public Instruction Michael Bakalis, these voluntary guidelines represent the work of Robert Sampson, director of CSPI's environmental education and head of the Energy Coordinating Unit.

"The winter of 1973-74 will be a difficult one for many schools," the guidelines read. "It is essential for all buildings, therefore, to begin reducing their demand for energy. The lesson of energy conservation must be explained well and practiced sincerely."

In the category of heating, it is suggested that occupied rooms be kept at 68 degrees. However, Bakalis said this was done with the hope that school officials would consider the condition of each building before taking the action automatically.

Many school buildings are old, he said, and a thermostat setting of 68 degrees can mean many rooms would be much

colder due to drafts and poor insulation.

Other heating guidelines include reducing the thermostat to 65 degrees in gyms and to 60 degrees in rest rooms, reducing to a minimum all outside air, and air exhausted by lowering power settings on air handling equipment, reducing hot water temperatures to 130 degrees F, and eliminating non-essential nighttime use of buildings.

Citing that many schools are grossly overlit, the guidelines suggest lighting large rooms be controlled with more than one switch, substituting artificial lighting with natural lighting whenever possible, and using incandescent lighting for small work spaces.

Transportation, which accounts for 25 per cent of our

total energy consumption, will demand more than 14 million gallons of gas and diesel fuel this school year. To reduce this figure, it is suggested that bus routes be reviewed for possible shortening and consolidating, extra buses carrying fans to athletic events be eliminated, a 30 mph speed limit be enforced, and a 10-minute maximum warm-up or idling time be set.

As far as classroom consumption is concerned, all refrigerators in laboratory areas where they do not constitute an essential practice be eliminated, the temperature settings in refrigerators and freezers raised, and the prolonged use of busen burners and gas stoves in experimental laboratories be avoided.

5% cut in gasoline

William Simon, U.S. energy czar, said Wednesday the government will cut gasoline production five per cent to further increase supplies of such fuels as heating oil.

The figure is a revision from the 25 per cent reduction mistakenly given out earlier yesterday.

The mandatory program limits refineries to 95 per cent of last year's production. It is believed that this will increase gasoline and other fuel prices.

Effective Dec. 27, the plan

will raise production of home heating oil, petroleums and residual fuel oil that is used by power plants.

Fire and police departments, public transportation, agriculture and fuel production are to get 100 per cent of their requirements; other users are to get 90 per cent.

Girl Scout festival aids area residents

The annual Festival of Giving planned by Brownies and Girl Scout leaders of Neighborhood 3, headed by Mrs. Doris Stotz, chairman, was held this week at St. John United Church of Christ. Over 250 persons attended.

Each troop brought a decorated basket filled with canned foods to be distributed to families in the Quad-City area. The names of the needy families were obtained from Protestant Welfare, Catholic Charities, Salvation Army and St. John Church.

Karen MacDonough and Pat Schnefke, dressed as clowns, served as mistresses of ceremonies and a flag ceremony was conducted by Senior Troop 117 led by advisors Mrs. Joan Oram and Mrs. Mary Velloff.

Mrs. Wanda MacDonough directed the program, "Magic Carpet of Let's Pretend," at which "Frostie the Snowman."

Mrs. Stotz gave the welcome and read a thank you letter from a family who received a basket of food last year. She said the family was so impressed with the scout program, and since the father is now working, they plan to donate a basket for a deserving family this year.

ceremony was performed by the "angels" and neighborhood scouts as the group sang "O Christmas Tree" and "Deck the Halls."

Those taking part in the program were Laura Womack, Karen Wickham, Ann Schreiber and Mari Cordon as toy soldiers; Paula Koch, Kathy Galbraith and Jamie Carter, baby dolls; Sheryl Blanton, Lisa Griffey, Laura Maddox, and Beth Smith as "Mary Christmas skater dolls"; and Patty Galbraith and Karen Koch, puppets.

"Angels" were Carrie and Julie Ross, Clara Vaughn, Dena McCracken, Jennifer Malar, Robin Mickelson, Mary Grace and Wendy Townsend.

Other portraying roles were: train, Diane Fife and Sherri Siebert; Baby of marbles, Ginger Knott; bag of jacks, Denise Havron; and Christmas presents, Carolyn Ellis, Deana Lombardi, Ann Holder, Jane Dacus and Debbie Tiltman.

Organ music was furnished by Mrs. MacDonough throughout the program.

Gifts were distributed to each guest by "Santa," who also presented Mrs. Stotz with a special gift from Neighborhood 3 members.

Lutheran candlelight service

The two choirs of St. John Lutheran Church, St. Clair and Dale avenues, will lead the congregation and guests in the 12th annual Christmas candlelight choral service at 6:30 p.m. Sunday.

The Rev. Samuel Boda, pastor, said the pre-service organ music will be presented by Seminarian Martin A. Seltz of Concordia Seminary, St. Louis, the church organist.

Both choirs will participate in the candlelight processional and recessional. Midway during the processional, the choir groups will pause and while surrounding the congregation with their lighted candles will

sing a number of Christmas hymns and carols.

A nativity scene will grace the chancel. The public is invited to attend the service, the minister said.

Featured choral numbers will include the Advent and Christmas choruses from Handel's "The Messiah." Soloists will be Mrs. Josephine Diak and Mrs. Diane Gebhardt.

The Children's Choir will offer a novel presentation of "Silent Night" in the German and Slovak languages, under the direction of Mrs. Gebhardt.

Other renditions by the Senior Choir will be "Up, O Shepherds," a Tyrolean carol in a setting by Herman Schroeder and using two flutes playing a

Lake School Yule program Monday

A Christmas program will be presented at 7:30 p.m. Monday at a meeting of Lake School PTA, it was announced at an executive board session, conducted by Mrs. Dorothy Phelps, president.

The special education wing will give a holiday play for pupils and friends at 1 p.m. Dec. 20 in the school gym, it was reported.

On Friday afternoon, Dec. 21, all students will be entertained at a party with refreshments and treats, hosted by the PTA unit.

Others attending the planning meeting were Ed Gonwa, James Noeth, Mrs. Pat Rigney and Mrs. Gen Helrich.

Venice Womens Club party

Artificial red apples, candy canes and poinsettias decorated the tables for a yule party of the Venice Womens Club this week at Charlie's Restaurant.

Mrs. Sally Burns of Collinsville and a representative of Presley Tours, Inc., was guest speaker following the dinner. She spoke on Hawaii, giving an interesting travelogue with illustrations.

Gifts were distributed by the planning committee including Medames Rhea Bunte, Mary Miller, Bertha Pace and Madama Groshong.

Special gifts were presented to Mrs. Burns and Mrs. Groshong, president of the organization.

Guests attending were Mrs. Jean Edwards from Grafton, Mrs. Geneva Frances of Kirkwood, Mo., Medames Paula Smith, Eula Myers, Mary Kathryn Groshong and Jane Ann Vanesler of Granite City, and Ora Anderson and Jane Ann Vanesler of Granite City, and Ora Anderson and Naomi Boelling of Venice.

Members Mesdames Margaret Seibert, Josephine Johnsee, Ellen Deering, Edith Devine, Rose Scaturro, Marnie Ponce, Jessie Foley, Sybil Robbs, Lula Kowalski, Ika Bauer, Elsie Canner, Alice Mitchell, Ruth Canner, Allie Patterson, Loretta Ziegler, Dorothy Koelker and Clara Krause.

Jail escapee apprehended

Anthony Wilson, 27, of the 2200 block of Delmar Avenue, was arrested by Granite City police Monday charged with escaping from the Madison County Jail at Edwardsville.

Wilson was among three inmates who allegedly knocked a hole in the back wall of the jail and escaped Aug. 24. The other escapees were captured within a few days but Wilson had eluded police.

Police received a call Monday that he was in a home in the 2200 block of Wayne Avenue. Granite City Patrolmen Irv Keuenhoff and Glenn Wright went to the home and Wright went to the back door as Keuenhoff knocked on the front door.

Keuenhoff asked if Wilson was there and Wilson, wearing only his pants and one shoe, attempted to leave through the back door into the 15-degree weather, police said.

As he left the back door, Wright aimed his pistol at Wilson and announced he was under arrest. Authorities reported, Wilson was taken to the Granite City jail and later Monday was returned to the Madison County Jail.

When he escaped in August, Wilson was being held for Missouri authorities who wanted him for two alleged escapes in Missouri. Phelps County, Mo., authorities took him Wednesday to Rolla, Mo., to face charges there.

At the home on Wayne Avenue, police said they also found a 17-year-old girl who had run away from home in Philadelphia, Ind. She was held until her father came to get her.

Lions to help in Venice crippled children's benefit

The Venice Lions Club will cooperate with the Venice Crippled Children's Club in a fund-raising dance to be held Saturday, Jan. 26, 1974 at the Venice-Madison American Legion hall, it was announced Monday evening by President Edward Foley at the group's meeting in the McKinley bridge office.

Lion Peter A. Fields announced plans for the club members to attend a dinner and a St. Louis University basketball game on Monday.

Jan. 28, have been made. Phillip Smith announced the club will hold a ladies' night on Feb. 14, the time and place to be announced later.

STEAL CAR STEREO
A \$120 car stereo and 14 tape recordings worth \$70 were stolen from the auto of William Laub, 3276 Westchester Drive, parked at the Wilson Park Ice Rink, Laub reported at 8:50 p.m. Monday. A coat hanger was used to open the car door, officers said.

GC Library decorated for holiday season

Area residents are invited to visit the Granite City Public Library during this month to view Christmas decorations made and installed by the Gardeners Garden Club to create a festive atmosphere for the holiday season.

A traditional green tree trimmed with gold and silver ornaments and gold and silver highlights the main lobby and with a white sleigh filled with toys and gaily-wrapped gifts, featuring Mr. and Mrs. Santa Claus as guardian of the holiday.

The mantle of the fireplace is draped with garlands of natural evergreens caught at intervals with green velvet bows and centered with a large wreath created of dried pine cones festooned with a wide bow and The Mini-Garden Information Center, a project of the Gar-

denaires, also is attractively decorated in a Christmas motif and has a display of several books relating to decorating ideas for the Yule season.

NEIGHBORHOOD 2 SCOUTS PLAN FESTIVAL PARTY
A Festival of Giving program and Christmas party for Brownies and Girl Scouts of Neighborhood Two will be held from 2 to 4 p.m. Sunday at the Kolonia Center, 24th Street and Madison Avenue. It was announced today by Mrs. Doris Wood, neighborhood chairman. The girls will decorate a live Christmas tree to be donated to the church-sponsored center and a musical program will be presented by a rock group known as the "Malcolm Blues" ensemble.

Honor Eberwine

The board of directors of the American Society of Traffic and Transportation has announced the election of Charles M. Magnuson and Lt. Col. James F. Eberwine to certified membership.

Magnuson, with Union Pacific Railroad in Walla Walla, Wash., prepared his research on "An Introduction to the Average Agreement Demurrage for the New or Occasional User."

Col. Eberwine, 25 Arlington Drive, Arlington Heights, professor of aerospace studies at Southern Illinois University at Edwardsville, wrote his research paper on "An Analysis of the ICC's Policy Toward Antitrust Concerning Railroad Mergers."

Election to certified membership in the professional society of the traffic, transportation and physical distribution field follows successful completion of four examinations and acceptance of an original research paper.

Objectives of the Society are to establish a standard of knowledge, technical training, experience, conduct and ethics and to encourage attainment of high standards of education and technical training for proper performance of the various functions of transportation.

New state board begins monitoring of elections

Michael E. Lavelle of Chicago, has been elected as chairman of the newly-created State Board of Elections. Madison County Clerk Eulalia Hotz was among eight nominees for the four-member board but was not appointed by Gov. Daniel Walker.

At the board's first meeting, held in Springfield, Lavelle announced emergency procedures for candidates filing petitions for election to state positions.

Lavelle said emergency conditions exist due to the fact that the filing of petitions has begun. He said the board has adopted for this filing period procedures previously announced by the secretary of state prior to creation of the board by the General Assembly.

The secretary of state's office will act as the board's agent in accepting the petitions, he said. The board will receive all petitions in the future, however, Lavelle added.

The petitions should be mailed or filed with the Index Division of the secretary of state's office in the State Capitol Building, Springfield.

All petitions received by 8 a.m. by mail, or from candidates in line at the Office of the Secretary of State in Springfield by 8 a.m. Monday, were considered to be filed at the same time.

Petitions may be filed

through 5 p.m. Monday, Dec. 17. The time of filing the petition will determine the order of appearance on the ballot.

Ties in filing times will be broken by drawing lots.

The chairman reminded candidates that they must comply with the state Governmental Ethics Act, and they may come to Springfield to mail their petitions at the main post office on Cook Street. A special system has been established there to handle petitions.

Lavelle said the petitions should be addressed as follows: Secretary of State, Index Division, Capitol Building, Springfield, Ill., 62706.

He envelopes should indicate that they contain nominating petitions.

Gov. Walker appointed Lavelle, William J. Harris of Marion, Franklin J. Lunding Jr. of Winnetka and Don W. Adams of Springfield to the board.

Lavelle, who was nominated by Senate Minority Leader Cecil A. Partee (D, Chicago), and Lunding, who was nominated by Senate President William C. Harris (R, Pontiac), will serve until June 30, 1977.

Adams, nominated by House Speaker W. Robert Blair (R, Park Forest) and Harris, nominated by House Minority Leader Clyde L. Chaste (D, Anna), will serve until June 30, 1975.

Members of the board will be

paid \$22,500 annually, a figure set by the law creating it. The chairman, chosen by the board members, is paid \$25,000 annually.

Lavelle, a partner in the Chicago law firm of Lavelle, Levinson and Waininger, has been a legal advisor to the clerk of Cook County. The 35-year-old attorney was chief clerk in the elections division of the Cook County clerk's office from 1968 until 1971.

He attended Loyola University and received his law degree from John Marshall Law School in 1969.

Harris was nominated last week in substitution for Delmar Ward of Murphysboro. Ward had asked that his name be withdrawn because of his duties as clerk of Jackson County and his plans to run for that office again.

Harris, 50, is a salesman for the DuQuoin Packing Co. He has worked in meat sales, sales management and public relations for the past 27 years.

Lavelle was the last elected Democrat to serve on the Marion City Council. In 1970, he was elected chairman of the Williamson County Democratic Central Committee.

Lunding is a partner in the Chicago law firm of Roan and Gressman. He has also been general counsel to the Illinois Elections Laws Commission since 1969.

In 1972, the 35-year-old attorney was an advisor to the committee to Re-Elect the President and he served as general counsel and executive director of the Committee on Anti-Vote Fraud of the Cook County Republican Central Committee. He is a graduate of Yale University and the University of California Law School.

Adams, a Springfield businessman, was elected chairman of the Republican State Central Committee in September after serving as a member of the committee since 1966.

He was chairman of the state electoral college delegation which cast its votes for President Nixon in 1968.

Adams, 37, studied business administration at Northwestern University and Southern Illinois University.

Driver hurt as auto hits trees

Robert E. Riggs, 18, of St. Louis, was injured shortly after 8 p.m. Friday when his auto left the roadway on the south side of Glen Drive and struck shrubs and trees in front of the home of Elbert Lyons, 2104 Glen. Taken by ambulance to St. Elizabeth Hospital will injure him to the right hand and leg and abrasions to the right thigh. Riggs had x-rays taken and was released.

KIMBROUGH FUNERAL

Services were held this week in East St. Louis for Judge L. Kimbrough Jr., 34, of that city, an employee of American Steel Foundries, Granite City. He died Dec. 1. Survivors include his wife, parents, two daughters, a stepson, two stepdaughters, five sisters and four brothers.

Test driver fails to return '72 car

A prospective customer who took out a 1972 Dodge Swinger for a test drive Saturday afternoon failed to return the auto, an employee of Granite City Dodge, 1911 Madison Ave., reported to police at 6:40 p.m.

The man, described as slightly built, between 50 and 55 years old, about five feet, 10 inches tall and wearing grey glasses, a charcoal-colored coat and a hat, made his test "drive" in a black over light blue, two-door model, the firm's spokesman said.

Repeated offender released; residents, police 'upset'

A delegation of six residents appeared at the Venice police station Thursday afternoon to protest the Third Judicial Circuit court handling of a juvenile offender earlier in the day.

The citizens said they were seeking help from the police and protection from the juvenile.

The problem arose after Judge Clayton Williams heard charges against the 15-year-old Venice boy who was arrested Oct. 15 for burglary of \$400 belonging partly to a Venice church and partly to an individual.

Judge Williams issued a "stay of mittimus" which allows the boy to live with his grandmother in East St. Louis rather than be confined by the Department of Corrections.

Both the residents and police said they were "upset" by the decision.

According to Venice police, the boy was granted a similar release to live out-of-town with an uncle on Nov. 11, 1972, and was back in town in less than 48 hours.

Madison County Probation Officer Darrell Smith refused to comment and transferred inquiries by the Press-Record to Jere Northern, a probation department supervisor.

The supervisor said that the recommendation for probation was the view of the entire probation department and not just that of Smith. Family circumstances are better with the grandmother and it is believed that placement in East St. Louis is an alternative to incarceration, the supervisor added.

When it was noted that out-of-town probation had been tried before and was unsuccessful, the probation supervisor accused Venice residents of "not being objective."

The court must consider the interest of the child.

The boy's case will be reviewed every 30 days and he will be incarcerated if any

further problems arise, he said.

Police reported the incident is the second in which the youth has been given probation, and that he has been arrested on charges of disorderly conduct, auto theft, break-in, stealing a weapon, and twice for burglary.

One resident commented, "We had to take off a full day of work to be at the courthouse for a trial scheduled to begin at 9 a.m. The trial did not get started until 1:30 p.m. and the judge did not even let us testify."

Another resident expressed to Chief Ralph D. Brawley dismay over the reasoning of the court which in effect let the boy "go," despite a record of repeated offenses.

"The court seems very concerned over the boy and they should be; but what about the victims and the public? Isn't any court concerned about protecting the people who don't commit crimes and go to church and try to make this town a better place to live? What about them?" the resident asked.

A Venice police officer said that during the trial when the juvenile officer was testifying about the boy being in court five or six times previously, the

youth threatened, "I'm going to get you, get you," while the boy's grandmother attempted to quiet him.

The victim of the \$400 burglary, who is a 60-year-old woman, said, "I didn't even get my money back. All I got was a motorcycle the boy bought with my money. I am too old at 60 to learn to ride a motorcycle."

Venice police will try to sell the cycle and help the church and victim recover part of their loss, according to Chief Brawley.

Price defends nuclear power plants as safe, reliable

Congressman Melvin Price of this district, chairman of the Joint Committee on Atomic Energy, has concurred in a statement by Atomic Energy Commission Chairman Dixy Lee Ray made in response to charges that nuclear power plants are unsafe and unreliable.

Price noted that nuclear plants have "an excellent record of reliability." A survey of nuclear reactor availability for the January-April 1973 period showed that of 24 utility-owned generating units of 100,000 kilowatts or larger capacity, 14 nuclear units were available 80 per cent of the time and eight were

available 90 per cent of the time.

This compares with an average of about 73 per cent availability for fossil plants of 600 electrical megawatts or larger over the 1960-1971 period.

The local congressman said, "Proven technology exists today for providing safe, economical management of the high level waste from the commercial power program."

"The AEC's in-depth safety requirements," he concluded, "involving primary safety systems backed by redundant systems — provide assurance that the public will be protected and that any minor malfunctions will not escalate into

major safety problems."

Telling his colleagues that Congress has "the opportunity to restore strong fiscal responsibility to the hands of the legislative branch," Rep. Price spoke in favor of the Budget and Impoundment Control Act of 1973.

He said the Constitution gives the power of appropriating money to Congress, "but over the years our voice in the budget process has dwindled until the present time, when the executive holds sway with an elaborate bureaucracy while Congress muddles through with an awkwardly disjointed budget process."

The Act would create a new House Budget Committee and a Legislative Budget Office. It would revise the fiscal year to begin Oct. 1 and implement a streamlined timetable for setting spending targets in Congress.

In addition, the bill includes provisions which would prohibit the President from unilaterally impounding funds already appropriated by Congress for specific purposes.

Price said passage of the bill "will stand as still another sign to the American people that at least one branch of their government continues to act with responsibility and foresight." The congressman sees the Act as "another step forward on the difficult path to restoration of public confidence in their leadership."

Rep. Price has cautioned that storing fuel during the current shortage may be dangerous.

"Improper storage and misuse of gasoline containers can cause fires and explosions resulting in injury to life and property."

"If a can is left open," he said, "the gas vapors can be ignited by a lit cigarette or auto engine spark in the vicinity."

Price also cited the danger of children swallowing unguarded and poorly sealed gasoline. If it is necessary to keep a small amount of gasoline on hand, the congressman advised that it be stored in a heavy metal container with a tightly closed lid. The container should be placed in a well ventilated, cool area.

Rep. Price has cited the first test voyage of a Navy destroyer burning synthetic oil from coal

as "another indication that American technology can develop adequate supplies of energy, and in the forms we need."

The Naval vessel sailed from Philadelphia Nov. 15 using oil-like fuel made from a coal conversion process. The test voyage is part of an extensive program to evaluate and utilize synthetic fuels in naval boilers, gas turbines and pumps.

In remarks on the House floor, Price supported the Child Abuse Prevention and Treatment Act which would establish a National Center for Child

Abuse and Neglect.

"Such a center would provide a clearinghouse for child abuse programs," said the congressman, "and would compile accurate national statistics on child abuse — a task which has been impossible to the present time due to the varying regulations governing abuse in each state."

The bill also calls for an investigation into the causes, prevention, identification and treatment of child abuse.

Price said, "Illinois has been nationally recognized as a leader in child abuse prevention programs," noting that the state's Child Abuse Act of 1965

was one of the first such pieces of legislation in the nation.

Price is currently studying a report on crime prevention under-taken by the National Advisory Commission on Criminal Justice Standards and Goals.

Major Commission recommendations deal with delivery of government and social services, with heavy emphasis on citizen involvement and Youth Services Bureau.

Practical programs for crime

prevention encompass a wide range of areas, including drug abuse treatment and prevention, employment, education, recreation, religion and reduction of criminal opportunity.

"The report should become a major document in the field of crime prevention," said Price. "I'm sure Congress will give serious consideration to its recommendations."

Law limits stored gasoline

State Fire Marshal Bernard J. Sadowski cautioned Illinois citizens Saturday that storage of gasoline and other volatile fuels in quantities of more than five gallons and in containers other than an approved red safety can is against the law.

"With the emergence of the gasoline and other energy fuel shortages this winter, our office sees the need to enumerate the law on possession and storage of

flammable fuels," Sadowski said. He continued:

"Basically, it is this: All receptacles used for the keeping or storing of gasoline, naphtha, benzene or benzol shall be painted red and containers shall be metal. For personal or private use, the above-mentioned fuels or their compounds may be kept for private use not to exceed five gallons.

"Storage must not be in any cellar, basement or open pit and should be in a room with direct ventilation to the outdoors, preferably in a garage or outbuilding." Discussing the gasoline shortage, Sadowski urged drivers not to store gasoline in their car trunks.

"Even so called 'safe cans' can be dangerous," Sadowski said. Dramatic changes in the temperature in a car trunk can cause gasoline to expand,

creating pressure on the can and resulting in leaking fumes. These fumes can ignite if they come in contact with a lit cigarette.

"The gasoline fumes might also explode because of static electricity, a short-circuit in wires leading to the taillights or if the car is hit in a rear-end collision—and a gallon of gasoline has the explosive force of 14 sticks of dynamite."

Study shows deep Illinois resentment of President, damage to GOP

By LESTER BELL
Press-Record
Washington Bureau
When Rep. John B. Anderson of Rockford gave up hope of running against Sen. Adlai E. Stevenson in 1974, he left a legacy that may be pondered across the country as well as in Illinois.

Anderson commissioned a study of his senatorial chances. It cost about \$20,000 and tapped 842 Illinoisans for their perception of Watergate and its impact on Republican candidates.

The poll was made after President Nixon's firing of Special Watergate Prosecutor Archibald Cox but before the Arab embargo turned up the gas on the energy crisis which had been simmering on the back burner.

Although the study does not address itself to the energy crisis, which was yet over the horizon, the inferences that can be drawn from it suggest that the public perception of Mr. Nixon's handling of the crisis will be prejudiced, no matter what he does.

While Anderson has not made his study public, access to a copy on Capitol Hill shows statistical tabulations support five major conclusions:

1. At that time, Watergate was the "overriding problem on the public mind." Nearly half the Illinoisans sampled mentioned it and related matters as the most important question facing the nation.

2. President Nixon was highly unpopular among Illinois voters. Only 28 percent of the respondents approved of the

way he handled his job while 61 per cent disapproved.

3. Fewer Illinoisans were identifying themselves as Republicans. Only 29 per cent of the sample said they were

Republicans, against the 33 to 40 per cent norm for the state.

4. Most respondents agree that "Watergate is just one more example of arrogant and deceitfulness of the Republican Party," an indication that the party has been unable to insulate itself completely from the scandal.

5. This is preferable to most important variables in the poll's cross

tabulations were age and party.

Younger respondents, in the 18 to 24 age group, were the "violently" anti-Nixon, anti-Watergate and anti-Republican.

This reaction was expressed progressively with increasing age.

Independents shared the Democrats' aversion to Watergate rather than the more mixed views of the

minority of Republican respondents.

The poll takers said the "decidedly adverse reaction" of the public to Watergate and Nixon's handling of it were unquestionably "the most discouraging results" for Republican candidates revealed by the Anderson study.

It was the "specter of Watergate," plus this inability

to get party support and funding to challenge Stevenson's formidable recognition factor, that moved Anderson to bow out.

Aside from the Watergate impact, the study gives an assessment of Mr. Nixon that has a decided bearing on the energy crisis. The most telling conclusions occur in these passages from the Anderson study:

"The finding on the follow-up question—'Why do you disapprove?'—suggests the chances are quite slim that the President will make a significant recovery (from Watergate) between now and the election."

"The reason for this is that the responses focus almost entirely (and the study underlines 'almost entirely' for emphasis) on his personality, character and operating style rather than on policies of his administration."

"In the context of the 'tricky Dick' image that has always dogged his career, there is especially strong reason to believe that those negative perceptions (dishonest, dictatorial, non-communicative, etc.) will not be neutralized to any significant degree."

The leopard's spots, the study seems to say will color the public perception of all of Mr. Nixon's policies. This, of course, includes the energy policy which is now unfolding.

VW Beetle \$2625.00

Plymouth Duster \$2511.00

Think again.

The VW Beetle is bigger than our Duster in one important category—price. As you can see, the '74 Duster's manufacturer's suggested retail price is \$114 dollars less than the '74 VW. Destination charges, state and local taxes and dealer prep not included. Especially when you consider that Plymouth Duster seats five. The VW—only four. Duster offers three times as much trunk space. Duster's engine develops about twice the horsepower and has an Electronic Ignition System that helps eliminate tune-ups. And Duster is heavier, wider and has a longer wheelbase than VW—for a better ride. And finally, Duster still looks and acts like a compact. With easy handling and parking, good gas mileage and low upkeep. And with the money you save on Duster, you can put it toward extras like wheel covers, chrome bumper guards and whitewall tires as shown on the above Duster. No wonder Chrysler Corporation sells more compacts than anyone else. And no wonder Duster is Chrysler Corporation's best selling compact. That's something worth thinking about.

Interest mounts in nature trail

Public interest in the development of a nature trail from Pontoon Beach to Edwardsville, using the abandoned Illinois Terminal Railroad right-of-way, was shown during a meeting of about 40 persons in the Madison County Courthouse at Edwardsville Monday night.

Representatives of area bicycle and horseback riding clubs, Southern Illinois University at Edwardsville and the Tri-Cities Area Chamber of Commerce offered suggestions for development of the trail.

Those present agreed that minibikes and other motorized vehicles would present problems on the 6½ mile trail and that the trail should be reserved for hiking or bicycle and horse riding.

Some club members indicated that after the county completes the trail, the private organizations would be interested in helping fund rest stations and recreation areas along the facility. Some offered to donate money for the developments, but members of the county education and recreation committee indicated the county could not accept the donations.

They agreed to meet with officials of Southern Illinois University at Edwardsville to see if a present nature trail trust-fund there can be extended to accept donations for rest areas not on the campus.

A representative of the Madison County Trail Blazers organization also indicated his club is hoping to start a fund and conduct fund raising activities for rest and recreation areas.

The county is leasing the railroad land at \$500 per year for the next 10 years. After that period, the county will have an option to lease for another 10 years.

The lease agreement was in jeopardy for a period when the state highway department suggested that an existing road over Interstate 270 will be used while the lease agreement specified that the railroad overpass must be used.

The railroad, fearing it would lose the right-of-way over Interstate 270 if the present railroad bridge was not used, would not allow the county to amend the document and bypass the railroad overpass.

The county agreed to the railroad's stipulation and will have to surface the railroad bridge and install guardrails before it can be used.

Louis Whitsell said the trail needs improvements before it

will be opened publicly. All of the railroad bridges need to be "planked" and guardrails installed before they can be used, and weeks along the right-of-way need to be cut.

He also said the county hopes to extend the trail in the future in both directions with the western end possibly reaching Nameoki Road in Granite City and the eastern end going to Hame.

Eventually, the county hopes to put a blacktop strip along the path for bicycles, he added.

State opposes promoting fuel

Two state officials on Tuesday said they have made a "strong request" that all electrical and natural gas distribution companies in Illinois cease any promotional programs or advertising which encourage greater use of energy.

Marvin S. Lieberman, chairman of the Illinois Commerce Commission, and James W. Cook, state fuel energy coordinator, sent the request in telegrams to 22 distribution firms.

They said, "The current problems involving adequate supplies of petroleum and natural gas dictate that steps be taken to effect all possible reductions in consumption by the ultimate consumer of the use of natural gas and electric energy for residential, commercial, industrial, transportation and other uses, consistent with the adequate protection of the public's health, safety and welfare."

"Accordingly, we strongly request all electric and gas distribution companies to cease, effective immediately, all promotional programs and advertising designed to encourage greater use of gas and electric energy."

The above action is to be taken without regard to the type of fuel used in the production of electric energy, in recognition of the fuel problems on a state and national level.

Excess diesel fuel charges

Leon C. Green, district director of Internal Revenue for Central and Southern Illinois, reports a spot-check of 26 service stations by IRS Stabilization investigators revealed eight stations charging in excess of their ceiling price for diesel fuel.

When notified of the proper ceiling price, all eight stations voluntarily agreed to adjust the selling price on diesel fuel to the ceiling price.

All stations are required to post stickers on each diesel fuel pump setting out the ceiling price which may be charged, Green said. He said those who do not comply with the regulation will be liable for a penalty up to \$2,500.

Persons wishing to register complaints or seek additional information may do so by calling 217-525-1362.

Lodge 877 to install

New officers of the Granite City Lodge 877 AF&M will be installed at a public ceremony at 7:30 p.m. at the Masonic Temple, 20th Street and Cleveland Boulevard.

Jack L. Fikins will assume his post as worshipful master with Glen Hollis as senior warden, Loren Worthen as junior warden, Right Worshipful Brother Clarence Hoffman as treasurer and Right Worshipful Brother Edward W. Lane, secretary.

Appointed officers to be installed will include: Clarence Livesay, chaplain; Russell Stagg, senior deacon; Roger Vail, junior deacon; Wendall Girz, senior steward; Roy Lee Thompson, junior steward; Charles Hileman, marshal; William Robert Alsberry, organist; and Worshipful Brother Lloyd S. Lewis, tyler.

The Rev. William F. Reipschlag, Th.D., will deliver the invocation and Worshipful Brother Brinley O. Bodnam will give the Ode to the Flag.

A musical prelude will be offered by the officers and the choir of Job's Daughters' Bethel Number 43. Mrs. Donna Bennett, Mrs. Bertha Butler and Mrs. Pamela Fikins will sing, accompanied by Mrs. Charlotte Starr, organist.

The new worshipful master then will make introductions and comments before Rev. Reipschlag gives the benediction.

Refreshments will be served in the dining room after the ceremony with the Collinsville Barbershop Chorus entertaining.

Madison increases police protection for holidays

Added police protection for residents, store owners and shoppers in the city of Madison during the Christmas season was provided Monday, according to Chief of Police Frank Dutko.

Special police officers, both uniformed and non-uniformed, are "walking the beat" on and around Madison Avenue, checking stores and businesses.

John T. James, 85, dies

John Thomas James, 85, of 1630 Fifth St., Madison, a retired security guard, died at 4:30 p.m. Monday at the Colonial Haven Nursing Home.

Mr. James was a member of the Madison Presbyterian Church. He was born in Perry County, Ill. and resided in the Quad Cities 59 years.

Prior to his retirement 15 years ago, Mr. James was employed at the Olin Illinois Glass Co.

He had been ill two months and a patient at the nursing home two weeks.

His wife, Mrs. Anna Maude James, died Oct. 17, 1953.

Mr. James is survived by one brother, George James of Madison.

Funeral services were held Wednesday. Details are given in the obituary column.

New head of ethics board

Gov. Dan Walker on Monday appointed Jack F. Isakoff, 63, Carbondale, an authority on state government, as the new chairman of the Illinois Board of Ethics. He replaces Abner J. Mikva, who resigned this month to run for Congress from the 10th district.

Dr. Isakoff served as staff counsel to the executive article committee at the 1969-1970 Illinois Constitutional Convention. From 1958 until 1960, he was research director of the Illinois Legislative Council.

Past president of the National Legislative Council and a past vice president of the Council of State Governments, he was a professor of government at SIU from 1960 until his retirement earlier this year.

WILLIAM COCHRAN

DeMolays elect Wm. A. Cochran

William A. Cochran Jr., son of Mr. and Mrs. William A. Cochran Sr., 4206 Rode Ave., was elected master counselor of the James Stuart Chapter, Order of DeMolay at a meeting last week at the Masonic Temple.

He will fill the unexpired term of William M. Todd, formerly of 136 Arlington Drive, who with his parents has returned to Marion, Ill.

Cochran, a 1973 graduate of Granite City High School, is attending Southern Illinois University at Edwardsville where he is majoring in chemistry. He also works part time at Stouffer's River Front Inn, St. Louis and was installed as scribe of the chapter at the November installation.

SIU enrollment not in top 30

The two-campus system of Southern Illinois University has dropped out of a national "big 30" ranking of U.S. universities by enrollment size for the first time in five years.

The so-called "Parker Report" by Garland G. Parker of the University of Cincinnati fails to list the combined total enrollment of SIUC and SIUE among the 30 largest U.S. institutions, based on fall 1973 figures.

The university is 27th in the U.S. in terms of full-time students, however, a drop of five places from last year.

Seaman commended

Navy Seaman Apprentice Jeffrey K. Warfield, son of Buddy G. Warfield of 1 Petunia Ave., and Mrs. Jo G. Warfield of Holiday Mobile Park, both of Granite City, was commended as a crewmember of the destroyer escort USS Elmer Montgomery for his efforts as part of the U.S. Sixth Fleet task force in the Mediterranean during the latest Middle East crisis.

The force stood ready to evacuate American citizens from danger areas and to back up government diplomats as they helped negotiate a cease fire.

A 1971 graduate of Collinsville High School, he joined the Navy in October 1972.

Completes course

Private Johnnie W. Parker, 17, son of Mr. and Mrs. Virgil W. Parker, 313 Wilson Park, has completed a 17-week automotive repair course at the U.S. Army Ordnance Center and School, Aberdeen Proving Ground, Md.

During the course, he was trained in the maintenance and repair of wheeled and tracked vehicle engines and accessories, powertrain units and chassis components.

At Florida base

U.S. Air Force Staff Sergeant Gerald R. Young, son of Mr. and Mrs. Ray E. Young of 2975 Washington Ave., has arrived for duty at Homestead AFB, Fla.

Sergeant Young, a disbursement accounting specialist, is assigned to a unit of the Tactical Air Command. He previously served at Hamilton AFB, Calif. A 1965 graduate of Granite City High School, he received his B.A. degree in mathematics in 1969 from Southern Illinois University.

Navy recruit

Charles Tony Gilley, 2359 Waterman Ave., has enlisted in the Navy and will receive basic training at Great Lakes, Ill. Upon completion of this training he will receive two weeks leave before he reports for training in one of the Navy's technical fields, which includes electronics or electronic related jobs.

Auto looted

Dorothy Grooms, 2577 Iowa St., reported at 12:50 p.m. Saturday the theft of several items, worth \$266, from her 1963 station wagon which was in storage at a service station at 19th Street and Niedringhaus Avenue, from Nov. 1 to 25.

Stolen from the vehicle were three rods and reels, valued at \$67, a sleeping bag, \$21, a battery charger, an \$80 tackle box and equipment, \$40 and a propane gaslight and tank worth \$60.

Pupils hold Yule workshop sale

Fourth-grade pupils in the rooms of Miss Beatrice Ruffner and Mrs. Ann Madrid at McKinley School raised \$80 Friday in a "Christmas workshop" sale conducted in Mrs. Madrid's rooms. Pupils from other parts of the school were permitted to shop and buy articles.

The items offered for sale included handcraft items, toys and other articles brought by the students, and some that the pupils had repaired.

The money, along with funds raised in other projects, will be used to buy a portable TV for use in the two rooms.

The workshop was "sold out" within an hour after the class met Friday morning.

Man injured in fight at tavern

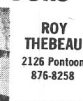

James McCallister, 317 Wilson Park Lane, was admitted at St. Elizabeth Hospital at 4:45 a.m. Sunday with multiple cuts to the scalp and abrasions to the neck and back which he reportedly sustained in a fight at a Madison tavern. Police, summoned to Buzz's Tavern, 1224 Madison Ave., at 4:20 a.m. Sunday, were told that four men and McCallister had fought inside the tavern with the melee continuing outside the premises.

McCallister had x-rays taken of the chest, skull, spine and ribs before being admitted.

BURGLARY ON LAKEVIEW

Items worth \$500 were stolen from the home of Jerry Lott, 5169 Lakeview Drive, Lott reported during the weekend. Taken were an antique clock, a television, a television-radio combination, an adding machine, a typewriter and a sword.

AID FOR NEEDY. Illinois representatives of the Greater St. Louis Kentucky Fried Chicken dealers and the Salvation Army are cooperating in a program to collect canned food for the needy this Christmas. Anyone bringing a can of food to a Kentucky Fried Chicken store before Dec. 20 will receive one dollar off the regular price of a bucket or barrel of chicken. The food will be donated to the Salvation Army for distribution to the needy in the area. From left are: Laurel Bush, Belleville and Fairview Heights stores; Larry Kessler, Wood River and Alton; Captain Joyce Anderson; Clint Hohman, Cahokia and Collinsville; Len Yelton, Granite City and Edwardsville; Captain Rhonda Bollwahn, and Bill Hecht, Granite City and Edwardsville.

Markuly honored by Madison Lions club

Alex Markuly, a Madison photographer, was awarded a 32-year membership certificate and a gold lion statue as the Madison Lion with the longest consecutive membership, during the club's 32nd anniversary charter night held at the Sportsman's Club. Lions receiving 20-year membership awards were Steve Barzoff, John Gitchoff, John Maeras Jr. and Fred Duffin. Thomas J. Miller was presented a 15-year membership pin and Hugh Murphy and James Cragle were presented 10-year membership pins.

District Lions Governor

Manuel L. Lopez and his wife were special guests of the club. Lionesses attending with their husbands were presented carnations at the door by Goff and Dittman, florists.

Entertainment was provided by Lion Wayne Aceto of Highland who played the piano and Ray Fleetwood of the Godfrey Lions Club who gave a demonstration of handwriting analysis.

Members of the newly organized Pontoon Beach Lions club were among the nearly 100 persons in attendance.

The evening opened with a social hour followed by a buffet dinner served by Voloski catering.

Troop 46 Scouts receive court of honor awards

Awards earned by members of Boy Scout Troop 46, sponsored by the Nameoki School PTA, were presented at a Court of Honor last week.

Dale Potter, Scoutmaster, presented Johnny Sands his Life Scout award, seven merit badges, eight skill awards and a six-year service pin.

Other Scouts receiving awards were Pat Potter, Star award, seven-year pin, seven merit badges, and seven skill awards; Keith Sands, Star award, seven-year pin, nine merit badges, and 11 skill awards; Bobby Potter, ten-merit pin, three-year pin, two merit badges, and two skill awards.

Stephen Hart, three-year pin and one skill award; Tony Jones, tenderfoot pin, one-year pin, one merit badge and nine skill awards; John Davis, tenderfoot, two-year pin, one merit badge, and three skill awards; Brian Howell, second class award, two-year pin and five skill awards.

Scott Keeton, three-year pin; Paul Morris, one-year pin and three skill awards; Mark Patrick, two skill awards; Gary Siple, second class award, four-year pin, three merit badges and six skill awards; and Marty Wills, first class six-year pin and eight skill awards.

Doug Mayer and Patrick were introduced as new Scouts. The meeting opened with the flag ceremony, Scouts Keith Sanders, Scott Keeton and John Davis served as color guard. Scout Sands led the group in the Scout Oath.

Robert Moske, adult committee chairman, welcomed the 47 persons present and made awards to the following adult leaders: Marlon Siple, three-year service pin as assistant Scoutmaster and institutional representative; John Sands, 11-year service pin; Al Sanders and Mrs. Betty Hamell, each one-year service pins; Mrs. Margaret Potter, Mrs. Darlene Smith and Desight Smith, each two-year service pins; Scout-

master Potter, five-year pin and Moske, a six-year pin.

It was announced by Scoutmaster Potter that Troop 46 will go to Camp Sunken during the first week of the 1974 season June 10 through 22.

Scoutmaster Potter, his son Pat, Scouts Sands and Sanders gave signed up for the Cahokia Mound Council "High Adventure" program at Philmont Scout Ranch in New Mexico, July 12-26.

New tents purchased by the Troop were on display.

A report on the National Boy Scout Jamboree in Idaho last summer was given by Scouts Moske and Siple.

The Troop will hold a Christmas party Dec. 19.

Following the meeting, refreshments were served by Marian Siple.

Control policies studied at meet

Representatives of area police departments, the state's attorney's office and the public defender's office met last week with administrators of the Granite City schools to discuss procedures in control of students in disorder cases.

Questions concerning when police should be called to the school, who has jurisdiction over parking lot traffic, procedures for crowd control, search and seizure regulations and other matters were discussed with the building principals or their representatives.

"The meeting was held to open avenues between the various agencies and the schools," Vasil Etimoff, administrative assistant-pupil personnel for the schools, who conducted the meeting, commented.

TAKES RIFLES, ORGAN
Two rifles, an organ and \$6 cash were stolen from the home of Bernice Nicholas, 5216 Lakeview Drive, during a burglary which was reported this week. A quantity of meat also was taken from the freezer.

Shortage of fertilizer for crops in county

By WARREN W. BUNDY
County Agriculture Adviser
Ammonium nitrate, a fertilizer commonly used to provide the nitrogen requirements of growing wheat, is not available now to Madison County farmers and probably will not be available next spring.

A Madison county farmer asked last week which commercial fertilizer—12-12-12 or 5-20-20—would be a better substitute for ammonium nitrate as a top-dressing on his wheat.

The 12-12-12 is the better choice, because it contains 12 per cent nitrogen. The 5-20-20 contains only 5 per cent.

Ammonium nitrate contains 34 per cent nitrogen. So it requires 283 pounds of 12-12-12, or 680 pounds of 5-20-20, to get the same amount of nitrogen that is in 100 pounds of ammonium nitrate.

What will happen to our supply of commercial fertilizer needed next spring if it is substituted to meet the nitrogen needs of wheat? A shortage of one material, ammonium nitrate in this case, can lead to shortages of others when substitutions are made.

One local ag-business representative said last week, "We'll try to take care of the needs of each crop as we come to it, and worry about the next

crops when we get to them." Commercial fertilizer top-dressed on wheat contains phosphorus and potassium, in addition to nitrogen. The phosphorus and potassium top-dressed will not increase wheat yield this year but will be valuable to succeeding crops.

Local farm suppliers are trying to get some calcium nitrate, which contains 26 per cent nitrogen, from European sources and hope to have it before the end of the winter season.

Another question related to nitrogen supply is this: How much intended corn acreage next year will farmers shift to soybeans? Corn requires nitrogen for satisfactory growth. Soybeans do not need nitrogen applied. If such a shift occurs, how much will this affect prices of corn and soybeans?

Farmers will have soybeans of high quality for seed next year. Much of the soybean seed planted in 1973 was low in quality due to the moldy bean problem and adverse harvest conditions the year before.

Average germination of the first 134 soybean seed samples tested in the Illinois Seed Testing Laboratory in Springfield this fall was 92 per cent.

Auditions for opera

The fifth annual district auditions of the Metropolitan Opera National Council's Regional Auditions Program have been announced by the council chairman. Auditions for qualified candidates from Southern Illinois will be held at 1 p.m. Feb. 8, in the Communications Building Theater at SIUE.

The most promising contestants heard at the Southern Illinois auditions will be selected to compete against other district audition winners from the central region. Regional semifinals and finals will be held in Chicago, Feb. 25-26.

The first-place winner in the regional finals will be sent to New York, at national council expense, to compete in the national semifinals March 10-24. The central region winner and winners in the other 15 regions will audition before the general manager of the Metropolitan Opera House.

Deadline for applications for the 1974 regional auditions is Jan. 18. Application forms for the district auditions and other information can be obtained by writing Prof. William Tawwater, Chairman, Department of Music, SIUE, Edwardsville 62025.

Cosponsoring the event with the SIUE music department are the Friends of Music of SIUE, with Mrs. Maurice Dailey of Granite City and Mrs. Nicholas Masters of Edwardsville as co-chairmen.

Book returns

Books from Textbook Service used during the fall quarter at SIUE must be returned by 5 p.m. Monday, Dec. 17, James H. Oglesby, head of the service, announced the deadline date.

Textbook Service will be open tonight until 8:30 and on Friday from 8 a.m. to 5 p.m.

The service also will be open Saturday, Dec. 15, from 8 a.m. until noon and on the final day, Dec. 17, from 8 a.m. to 5 p.m.

MRS. SUZAN FRIZZELL
75, of 101 Ewing Ave., Madison, who died Monday morning at the Colonial Haven Nursing Home. Funeral services were held at 10 a.m. today with burial in Ash Grove Cemetery in Windsor, Ill.

Ministers' group meeting set today

The second meeting of the Ministers' Advisory Committee of the Madison schools was to be held at 2:30 p.m. today in the superintendent's office, 1707 Fourth St., Madison.

The organizational meeting of the committee was held last week. John Patchett, superintendent, presided at the meeting.

The purpose of the committee is to work with the board of education and the administration of the Madison district in bringing about improved school-community relations.

The formation of this committee is an outgrowth of the A-160 Educational Plan which the district recently submitted to the Office of the State Superintendent of Public Instruction.

Ministers present at the first meeting were the Rev. Ellis B. Seals, the Rev. Jerome Jackson, the Rev. Walter Lecko, the Rev. Donald Bogue and the Rev. Frank Christ.

Enlists in Navy

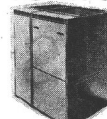

Tony Lee Martin, 2730 Harding Ave., has enlisted in the Navy. He chose the occupational specialty program in the field of mechanical, operational-maintenance, general service. He will have two weeks leave after he completes recruit training and before he starts training in the field of his choice.

MRS. ARLENE M. BONER, 2416 Madison Ave., has received a Department of Army certificate and a quality-step increase in salary for outstanding job performance at Headquarters and Installation Support Activity (H&ISA) at Granite City. Mrs. Boner is employed by H&ISA's Supply Division.

Moonspinners install

New officers were installed and awards were presented at a meeting of the Moonspinner 4-H Club at the Nameoki United Presbyterian Church. Mrs. Elizabeth Schmidt, club leader, and Mrs. Deanna Ketcher, club co-leader, conducted an inspirational candlelight installation ceremony. A white candle was lighted for "club spirit," and the new officers candles were then lighted to represent "Head," "Heart," "Hands," "Health" and "Club."

Members recited the 4-H pledge and the 4-H motto: "To Make The Best Better."

Officers installed were president, Rhonda Ketcher; vice-president, Maryann Colbert; secretary, Donna Ketcher; treasurer, Debra Burnett; recreation chairman, Maria Schmidt; sergeant at arms, Melissa Overath; reporter, Alice Childers.

Rhonda Ketcher, president, presided at the meeting. Kim Overath led the pledge of allegiance, and the 4-H pledge was led by Alice Childers. Roll call by Maryann Colbert, vice-president, was answered by the girls naming their favorite winter sport.

Demonstrations were presented by Maryann Colbert, "How to make Pom Poms and Tassels" and Donna Ketcher, "How To Wind Yarn and The Different Types Of Yarn."

Reports were given on the Achievement Night held in November. Project books with achievement seals were returned to 25 members.

Leaders distributed Madison County project honor member awards certificates to Cheryl

Belue, Maryann Colbert, Kathleen De Runtz, Jane Friederich, Donna Ketcher, Rhonda Ketcher, Lori Malotki, Karen Ozburn, and Rosalie Ponce.

State of Illinois project honor member award certificates were presented to Mary Ann Bequette, Sherry Ketcher, Maria Schmidt, Deborah Schaefer, Anita Turner, Ann Uram, and Maryann Yevin.

A State Outstanding Club

Member award certificate was presented to Maryann Yevin. Dress review pins were presented to Kathleen De Runtz, Sandy Haupt, Anita Turner, Ann Uram, and Maryann Yevin. Junior leader pins and certificates were awarded to Kathleen De Runtz, Ann Uram, and Maryann Yevin. The Moonspinners "outstanding" ribbon, received for 1972-1973 year, was on display at the meeting.

A past president's pin was presented to Anita Turner from the club. December newsletters

were distributed to members. Plans were discussed for a Christmas party 7 to 8:30 p.m. Dec. 20 at the church. Members will bring a \$1 gift exchange. The committee planning the affair includes Maria Schmidt, Maryann Colbert, Alice Childers, and Rhonda Ketcher. Plans also were made for caroling at Colonial Haven Nursing Home on Saturday, Dec. 22, at 2 p.m. Members are to meet at the nursing home parking lot, and each girl is to bring cookies.

Ike-Tina, Sonny-Cher in recording spotlight

By JUDY HUGG

It's always a pleasure to check the mail and find several "live" recordings nestled in the stack, for they tend to give you a better insight and lend more excitement to the performer than a standard studio disk often offers.

Recently three outstanding live platters arrived just in time for the holiday scene and are well worth looking over. They include double albums by Ike and Tina Turner, Sonny and Cher and a single LP by Curtis Mayfield.

Let's start off with "The World of Ike and Tina" on United Artists Records. This two-set album was recorded in nine different countries from England, Sweden and Austria to Holland and Germany. As usual, Ike and Tina, along with their backup band, the Family Vibes, and the three soul sisters, the Ikeettes, provide exuberance and a natural energy that is rarely heard or seen these days with their hot soul music.

One thing that makes this an outstanding album is the fact that Ike and Tina share the lead, instead of Ike moving into the background as he has on so many of their albums.

The LP is well rounded. For example, the Family Vibes start things off on side one with a great instrumental rendition of I. Hayes theme from "Shakti," and are followed up by the Ikeettes as they catch fire with Joe Tex's "I Gotcha." Tina then gets in to the act with a searing version of Paul McCartney and John Lennon's "She Came in Through the Bathroom Window," followed by some far-out home-grown blues from Ike on "You're Still My Baby."

The other three sides consist of powerfully delivered cuts by both Ike and Tina as they step in and out of the spotlight belting out songs like "Get Back," "Gimme People Play," "Stand by Me," "River Deep, Mountain High," "Let Me Touch Your Mind" and "Chopper," as only this husband-and-wife combo can do.

Another husband-and-wife team that has done well is Sonny and Cher. Actually it's been a matter of hard work and a lot of faith that has kept the two up where they belong. At one time they were teen-age idols, then all of a sudden they were flat, no money and no hits. It was then that the two made the decision to start all over — in small clubs just like they had the first time.

This wasn't an easy decision because they had been what we call super stars, the easy life was theirs however it had dwindled. So back they went to the every night grind of small clubs and each date they won back their previous support until they again had hit records plus their own TV series and concerts that turned out SRO crowds.

"Sonny & Cher, Live In Las Vegas Vol. 2," a two-record set on MCA Records is a full testimony of their hard work and faith as they roll through nine musical delights accompanied with several comedy dialogues which are typical of their style.

They too, share the spotlight as they ramble through their own hit songs like "You'd Better Sit Down Kids," "A Cowboy's Work Is Never Done," "I Got You Babe," "Gypsys, Tramps & Thieves," and "Bang Bang." Also cuts by other supreme writers like Carole King, Neil Diamond and Stevie Wonder are included as well as Johnny Nash's super hit "I Can See Clearly Now." And all are done in Sonny's and Cher's strange yet magnetic style.

+

Another fine "live" album to come out recently is "Curtis In Chicago," on Curton Records. Superfly himself is a black-power advocate however, he seems to set himself apart from most others by transmitting his thoughts through soft-spoken lyrics. On this LP Curtis teams up with his buddies the Impressions, Gene Chandler, Jerry Butler and Leroy Hutson along with others as they run through a splendid batch of

MINIATURE CORVETTE, powered by a one-cylinder gas engine, was presented last week by Milton Mathews, right, to John Adams, 16, a senior at GCIS-South, who won first place in a field of 56 entries in the local "Draw a steam boat" contest. Adams' picture is now being judged with the winners of 19 other contests sponsored by members of the River City Chevrolet Dealers. The district winner will receive a full-sized Vega for his family. CARDS OF EXCELLENCE are displayed by area youngsters who successfully completed the Tri-City Area YMCA's fall swimming program. Front row (left to right) are Monica Fanning, Angela Owens, Kathy Juhasz, Joe Zimmerman, Lisa Nishwitz and Gloria Mihanis, all of Granite City. Back row, Keith Edwards, Maurice Edwards, Donald Edwards, all of Brooklyn, and Cheryl Mosley of Madison. Each passed the beginners, middle class, and intermediate swimming courses at the local YMCA.

new and old hits bound to please just about every one.

Curtis does a bangup job on such hits as "Superfly," "For Your Precious Love," "Once In My Life," "Preacher Man," "Duke of Earl" and "Amen." This bespectacled wacker is one of the forerunners in his field and, with each cut, he seems to gather a larger and larger following.

It seems that Superfly is only the beginning for Curtis and there is no doubt that many good things are bound to happen with him on the music scene.

VANDALIZE HOBBY SHOP

Granite City police on patrol reported seeing smoke inside J & J Hobbies, 2005 State St., and called the fire department. Firemen noticed the rear door had been forced open. Inside a pot of wax had been placed on an electric hot plate which had been turned on. A cardboard box also was placed next to a space heater which had burned a hole through one side of the box. The store was ransacked.

MOBILE HOME LOOTED

Items worth \$247 were stolen from the mobile home of Delmar Hirtle, 6 Ellen's Mobile Home Park, 23rd Street and Nameoki Road, after a hasp was pried from the door. Matches were used for lighting by the intruders and were left on the floor. The unit was ransacked. Taken were the television, binoculars and case and a drill.

Warriors face powerful lineup in holiday meet

Pontiac High School's 43rd annual holiday basketball tournament, rated as the No. 1 prep meet in Illinois last year, appears to have all the ingredients for an all-out battle to decide the 1973 champion.

The tournament will be played this year on Thursday, Friday and Saturday, Dec. 27, 28 and 29, with Granite City High School South among the entries.

Lockport's Porters, minus All-State Ellis Files, will return to defend their championship won last year over West Aurora's Blackhawks 58-54 in a finale matching two of the state's top undefeated quintets.

New Trier East, a second place finisher in the Class AA state finals last year in Champaign; LaSalle-Peru, with four starters returning from last year's 20-8 squad; and Bloom of Chicago Heights, with another fine nucleus, have been rated as the pre-tournament favorites.

New Trier returns 6-7 forward Frank Moran and 6-9 center Chris Wall from last year's outstanding team. Coach John Schneider claims he wouldn't trade this pair for

any other two players in the state.

LaSalle-Peru has a veteran squad featuring 6-5 Dennis Trompeter and 6-4 Hollis Vickery. Coach Jack Margenthaler says this could be his best team ever.

Bloom's Trojans, coached by Wes Mason, features All-State Audie Matthews and outstanding sophomore prospect 6-3; Bob McCoy. Mason reports Matthews is the best all-around player he has ever coached.

Last year's runnerup, West Aurora, and Rock Island Allman, Lockport, Waukegan and Bloomington are other teams receiving considerable backing in pre-tournament speculation.

Tournament Manager Roger Tuttle has signed three new squads this year in an effort to strengthen the already rugged field of teams.

Ottawa's Pirates, representing the North Central Illinois and Illinois Valley Conference, will be making a first appearance.

Bloomington of the Big 12 Conference, featuring one of the state's outstanding junior guards, Bob Bender, and Cahokia of the strong South-

western Conference are the new teams in the tournament.

Other teams returning to battle for the 1973 title are: Hersey of Arlington Heights, featuring 6-11 center Dave Corzine, Deerfield, Glenbard West, Granite City South, also of the Southwestern Conference, and a vastly improved host Pontiac quintet.

Traditionally, the local Warriors play well in the Pontiac holiday meet and have often been in the championship or consolation finals.

Tournament pairings are to be announced later this week.

Pontiac Jaycees, for the 23rd consecutive year, will sponsor a pre-tournament banquet Wednesday, Dec. 26, for visiting school officials, coaches and players of the 16 competing teams.

STERLING STEELERS' AWARDS were presented this month to four seniors selected by their teammates as "most outstanding players" of the 1973 GCHS North soccer team. Recipients honored are, front row from left, Dennis Jones and Mark Baugh. Standing, in-between assistant Coach Dave Ames, left, and Head Coach Bob Kehoe, right, are Larry Petri and Jeff Lerner. The four were cited during the new school's banquet to honor all of its soccer players.

Krause seeks appellate post

Lehman D. Krause, Belleville, has announced his candidacy for a Republican nomination for judge of the Appellate Court, Fifth Judicial District.

Krause, 48, is a native and lifelong resident of St. Clair County and is married to the former Miss June Schaler. His great-grandfather, Archibald Reed of Saline and Hamilton Counties, fought in the Civil War with his four sons.

Krause is a general practitioner and trial lawyer who practices in both state and federal courts; his office is in Belleville.

He obtained his law degree from the University of Illinois College of Law and holds undergraduate degrees from Washington University in industrial engineering, and chemical engineering, with an additional major in accounting and minors in economics and psychology.

Krause is a member of the St. Clair County, Illinois and American Bar Association, the Lions, Gothic Lodge 852, Shrine, Order of Eastern Star, American Legion, Loyal Order of Moose and St. Clair County Anglers.

Rehabilitation acting director

Miss Marlene Nelson, Chicago, has been chosen by the Board of Vocational Education and Rehabilitation to serve as acting director of the Illinois Division of Vocational Rehabilitation.

The action was announced by Dr. Jerome G. Miller, chairman of the board and director of the state Department of Children and Family Services.

Miss Nelson held the position of administrative assistant and chief of psychiatric services in the DVR agency. She succeeds Alfred Slicer, who resigned effective Nov. 30.

Miss Nelson will administer the services of the agency until a screening committee headed by Mrs. Dorothy Arndt, Rock Island, completes its search for a permanent director. The committee is interviewing applicants who have backgrounds in rehabilitation. The Division provides services for handicapped persons whose disabilities interfere with or prevent them from holding jobs.

The agency has 45 offices throughout the state, 1,640 employees and a current budget of \$43.3 million. Funds are 80 per cent federal and 20 per cent state.

Earl Davis held on two charges

Earl Sidney Davis, 30, of 1423 St. Madison, was returned to Madison early Saturday morning from St. Clement's Hospital at Red Bud to face charges of theft and burglary. Madison police said Davis was treated at the hospital for a wrist cut following his arrest in the Waterloo area. Davis was picked up by Monroe County authorities at the request of Madison police at 2:20 a.m.

In basic training

Dennis Courtney, 2811 Harding Ave., and Jessie Kirk, 1701 Edison Ave., presently are at the Naval Training Center at Orlando, Fla. After completion of basic training they will receive two weeks leave before reporting to duty on the east coast. They enlisted in the Seafarers program which guarantees choice of coast.

HAPPY SMILES greet a division of proceeds from the annual Knights of Columbus Shrine dinner at the K.C. hall in Granite City. Left to right, Bob Cook, chairman of the Shrine Bonds for Braces program; Dr. J. R. Vasiloff, grand knight of Tri-Cities Council 1098; Charles G. Chenoweth, chief rabban of Ainaad Temple; Jim DeRuntz, chairman of the dinner for the Knights of Columbus, and Leo Lipe, Ainaad dinner chairman. The

Shrine share of the proceeds goes into the Burns travel fund for transportation of children in the area to the Burns Center in Cincinnati, Ohio, or Galveston, Texas. The K.C. share goes to the council's charity fund. Lipe, of Granite City, also is the burns coordinator for Shrine temples and the only non-medical man on the Imperial Council Procurement committee.

Treatment plan for alcoholics

Industries throughout Illinois are cooperating with alcoholism coordinators in the state Department of Mental Health and Development Disabilities to develop on-the-job treatment programs for alcoholics.

Early detection and rehabilitation are the key to the employee counseling programs' success, according to Bruce Moore, coordinator for Region 3A, an 18-county area in west-central Illinois.

"We are moving away from treating alcoholics in centralized state agencies and institutions—where most alcoholics have reached a final stage in their illness," Moore said. "Early detection which can occur only in the community and on the job is necessary to treat the cause."

In the Employee Counseling Program, supervisors are asked to be alert for deteriorating job performance of employees related to social or family problems caused by their inability to control drinking habits.

Moore said, "Alcoholism is an illness of six to eight per cent of the population crossing socioeconomic groups and sexes. There are an estimated 548,000 alcoholics in Illinois. Ninety-five per cent of these are employed and members of families."

He continued: "Research shows that two things an alcoholic wants to

GRANITE CITY PRESS-RECORD
Page 52 Thurs., Dec. 13, 1973

hold onto are his family and job, and that these are more important to him than his health. If we put pressure on him at the job, we can create a crisis for him in the early stage of his illness, before he becomes unemployable."

Richard Sample, industrial alcoholism coordinator of Region 3A, said initial contact has been made with five industries in the Springfield area. "In the initial contact with an industry," Sample said, "we point out the program's benefits to both the company and the employees. We request 100 per cent participation from both labor and management in establishing a written policy for the Employee Counseling Program."

The written policy usually states that alcoholism is an illness, that industry's concern with drinking practices begins only when these practices result in unsatisfactory performance; that the employee must decide to seek treatment, and that the employee is assured complete confidentiality.

"Although the programs in Region 3A are just beginning, those in other areas have claimed rehabilitation rates as high as 70 per cent—better than clinics and hospitals. This

implies that industry can be a very effective and motivational tool in curing alcoholics," Sample said.

Sample added that public information and education is essential to remove the stigma from alcoholism and to treat it sensibly—as an illness. He said, "Participating companies should be congratulated and others should be encouraged to develop industrial alcoholism programs."

More dikes along river

The Dallas, Tex., firm of Markham and Brown, Inc. was apparent low bidder at \$1,617,220 for a contract to construct stone-filled dikes and bank stabilization works on the Mississippi River. Bids from three companies were opened at the offices of the St. Louis District, U. S. Army Corps of Engineers, it was announced Monday.

The work consists of building 22 stone dikes along a 14-mile bank line from Mile 154 near Bushberg, Mo., in Jefferson County north to a point a half-mile below Jefferson Barracks Bridge on both the Illinois and Missouri sides.

Two-tenths of a mile of bank stabilization work also will be accomplished in this reach. Construction of stone dikes creates a condition that provides sufficient stream velocity to maintain a depth without costly dredging.

The new dikes were designed by the Corps in cooperation with the Missouri Conservation Commission utilizing a pattern that creates a fish habitat pool on the downstream side. Bank work eliminates damaging erosion by stabilizing the shoreline.

PANAY INCIDENT

The U.S. gunboat Panay was bombed by Japanese planes and sank in the Yangtze River above Nanking, China, on Dec. 12, 1937.

Hanne-Gasparovic wedding at St. Elizabeth Church

Miss Sharon Elizabeth Gasparovic, a daughter of Mr. and Mrs. Mathew Gasparovic Sr., 9 Nassau Drive, and Mark F. Hanne, son of Mr. and Mrs. Ralph Hanne, 2025 Manly Ave., exchanged nuptial vows on Dec. 1 at St. Elizabeth Catholic Church.

The Rev. Lawrence J. Mattingly officiated at the double ring ceremony at 2 o'clock in the afternoon before an altar decorated with bouquets of poinsettia.

John Stanfill, soloist, sang several selections, including "Our Father," "Ave Maria" and "The Wedding Song." He was accompanied by Mrs. Cleta Judd at the organ.

Escorted down the white carpeted aisle and given in marriage by her father, the bride wore a pure white sate gown.

The Empire bodice was enhanced with Cluny lace and a delicate silk cross stitching trim. The long sleeves were capped with lace at the shoulders and terminated at the wrists with bands and a gathered lace ruffle.

A wide border of Cluny lace and alternating rows of the decorative cross stitching encircled the hem and extended along the full sweep train.

She wore a Cluny lace carried veil of bridal illusion and she held a compact bouquet of white roses and baby breath.

Miss Claudia Gasparovic, a sister of the bride, was maid of honor and the bridesmaids were Mrs. Henry A. Laimore, another sister of the bride, Miss Linda Thomas and Misses

Karen and Diane Hanne, the groom's sisters.

All the attendants were dressed alike in navy red velvet gowns designed with white lace bibs, accented with tiny velvet covered buttons. The long Juliet sleeves and high necklines were edged in white lace ruffles and a velvet belt defined the waistlines.

Matching velvet camelot headpieces held in place short veils and each girl carried a bouquet of white carnations and holly leaves and berries, festooned with moss green streamers.

The groom chose Kevin Murtaugh, his cousin, as best man.

David Bell, Henry A. Laimore, Mathew Gasparovic Jr. and Mark Gasparovic, brothers of the bride, Rick Weissenborn and Raymond Carder completed the corps of groomsmen and ushers.

Mrs. Gasparovic chose for her daughter's wedding, a pale green gown in patterned polyester knit with a lurex overlay made in formal length. Her accessories were in gold.

The groom's mother, Mrs. Hanne, selected a pink crepe full length dress with a tuck bodice and matching pink accessories. Both mothers wore white rosebud corsages.

Mr. and Mrs. Hanne, parents of the groom, entertained members of the bridal party on the evening preceding the wedding at a rehearsal dinner in their home.

The newly married couple received guests at a reception held at Holy Trinity Hall, Madison.

They are now residing in the Tower Lake Apartments at Edwardsville after a wedding trip to the Lake of the Ozarks, Mo. Both young people graduated from Granite City High School. The former Miss Gasparovic also graduated from Lewis and Clark Junior College and is now

MR. AND MRS. MARK F. HANNE. They were married in an early afternoon ceremony at St. Elizabeth Roman Catholic Church. The bride is the former Miss Sharon Elizabeth Gasparovic, a daughter of Mr. and Mrs. Mathew Gasparovic Sr., 9 Nassau Drive. (Wenzel Photo)

Mardi Gras patron party

Mr. and Mrs. William J. Bengel will serve as patron chairman for the annual Mardi Gras Ball sponsored by the American Cancer Society.

The dance will be held Saturday, Feb. 25, in the Lewis and Clark Restaurant, East Alton, preceded by a party in the Stratford Hotel exclusively for patrons.

The Bengels will host the cocktail party, where patrons will have an opportunity to meet and talk to the celebrity guest and other special guests participating in the Mardi Gras activities.

Bengel is vice president in charge of purchasing at the Mississippi Lime Co. He and his wife, Genevieve, are members

of the First Presbyterian Church and Bengel is currently serving on the session and is chairman of the budget.

He is also a member of Lockhaven Country Club and served as a member of the board of directors and secretary of the Greater Alton Community Chest board, as advance gift chairman and chairman of the budget committee. He is also a former member of the Associated Charities board and served as treasurer.

Mrs. Bengel has for years been active in civic events and when her children were growing and in school, she was active in

Boy Scouts, Girl Scouts, Band Builders, PTA and Mothers' Clubs.

She presently is a member of the Alton Community Service League, a volunteer at Alton Memorial Hospital, a volunteer working with the bloodmobile of the American Red Cross and a member of the Philanthropic Educational Organization.

They live at 3 Monterey Place, Alton. A letter will be sent to community leaders and friends inviting their patronage to the annual charity ball, after the first of the new year.

The party will take place from 6:30 to 8:30 just before the beginning of the ball.

WWI units hold holiday potluck

Veterans of World War I, Madison Barracks 34 and Auxiliary, held a joint Christmas party at the VFW Hall, starting with a 12:30 p.m. potluck dinner.

Short business meetings were conducted by both organizations. A social hour followed with games being played and prizes going to the winners.

Auxiliary members agreed to send \$25 donations to Jefferson Barracks Veterans Hospital and the Salvation Army's "Tree of Lights" campaign and a \$5 donation to the Lewis and Clark Tuberculosis Foundation.

Plans were announced concerning a visit by Mrs. Grace Hutchins, the unit's hospital chairman, accompanied by several members, to Alton State Hospital to entertain veterans for a holiday party.

The next meeting was postponed until Jan. 8 due to the regular date falling during the New Year's holiday, officers announced.

PAST PRESIDENTS ELECT MISS HINSON

Miss Dorothy Hinson was elected president of the Past Presidents' Parley of Venice-Madison American Legion Auxiliary Unit 307 at a holiday dinner party held at Ralph and Charlie's Steak House in Madison.

Other officers to serve in 1974 are Beulah Sizemore, vice-president; Kathryn Fellers, secretary and Norma Hiller, treasurer.

Card games were played and prizes were awarded to those holding high scores.

Coterie's holiday party

The Ladies Coterie celebrated the Christmas season at a noon luncheon party last week at the Sunset Hills Country Club. The holiday event was planned by the group accompanied by Mrs. Haug and Mrs. David Friedman.

Festive decorations were used by the hostesses in the table appointments. Seasonal favors were presented to each person by the president, Mrs. Marvin Edgington.

Mrs. David John, program chairman, introduced Mrs. R. C. Roberts who read "The Christmas Story." The narrative, taken from the book "I Walked Six Thousand Years" by Freemont Arbeiter, con-

cerned the small donkey that carried Mary to Bethlehem at the time of Jesus' birth.

Christmas songs were sung by the group accompanied by Mrs. Reiske at the piano, and a gift exchange was directed by Mrs. Walter Johnson.

Others attending were Mesdames T. C. Auferheide, Clarence Boettiger, W. G. Cooley, G. E. Pileoff, James E. Fox, Henry George, E. J. Griffiths, L. Hagaman, Floyd Henley, Raymond Horn, Charles Kohl, C. L. Louis, B. S. Miller, Mark Pickett, Leo Roman, E. H. Thies, Dawson Wade, Fred Werner and I. E. Rodemeyer.

Holiday party by Elkettes

The Elks ballroom was the scene of a Christmas party attended by 96 Elkettes last week.

Helen Presley, the chairman, and Anna Lois Teaney, Dorothy Sheppard, Dorothy Lueders, Ella Wang, Memphis, Erma Armitage, Alice Ellende and Euphie Tarris, formed the committee which made centerpieces, favors and decorations and arranged the party.

A social hour in the Antler Room included organ music by Jack Jenkins. The table was

covered with a net cloth trimmed with applied silver bells and satin ribbon. In the center of the table was a huge snifter filled with green punch. On either side were silver candelabras holding green candles.

Twelve tables were set for dinner. In the center of each table was a large decorated snifter with floating candles. Circling each snifter were eight small snifters filled with wrapped candies, favors for each guest. The walls were decorated with wreaths and

candles, and mobiles were suspended from the center ceiling light.

Mildred Jungels, chaplain, offered prayer. Mr. and Mrs. Lawrence Peiri, served the dinner from a decorated buffet table.

The Sweet Adelines, directed by George Holtzsch, entertained with songs and merriment after the dinner.

Santa Claus gave out gifts to everyone present and presented Theresa Harding with a diamond dinner ring. Mobiles and snifter centerpieces also were given away.

St. John Youth Program

The church school of St. John United Church of Christ, 2901 Namecki Road, will present a Christmas program of scripture and tableau entitled, "Scenes From The First Christmas" at 6 p.m. Sunday.

Area residents are invited to attend the celebration and worship, the Rev. Carl Eschenbrenner, associate pastor, announced.

During the processional the children of the church school will present their gifts for the "Layette project" of Church Women United.

This will be followed by six scenes depicting the events of the first Christmas, introduced with scripture and narration by Bruce Elliott. Scene One will be "The Visit of the Angel to Mary," and feature the nursery children singing "Happy Birthday, Jesus," with Miss Mary Tolun as the Angel and Miss Janice Hamilton as Mary.

Scene Two, Caesar Augustus decrees an enrollment of the province of Syria. Caesar, Russell Chappell Jr.; guards, Jeff Roth and Paul Cinarad.

Scene Three, Mary and Joseph on their way to Bethlehem. Mary, Janice Hamilton; Joseph, James Healy. Lower juniors will sing "O Little Town of Bethlehem."

Scene Four, "The Inn."

featuring Eric Zeugin, Carl Luchmann, and Miss Linda Bauer and the junior department singing "Watchman Tell Us of the Night."

Scene Five, Shepherds in the Field." Shepherds, Miss Beth Lahne, Miss Barbara Miller and Mrs. Karl Valour, will sing "While Shepherds Watched Their Flocks."

Scene Six, The kindergarten children sing "Away in a Manger" as Mary and Joseph admire their first born son. Vice Men, Charles Duckworth, Myron Schanuel, and Jack Dempsey will bring their gifts during the singing of "We Three Kings."

Mrs. Irene Barriack, organist and choir director, will preside at the organ for this special program.

Santa Claus will be present and refreshments will be provided.

GLENN SMITH FUNERAL. Mr. and Mrs. Philip Cripps and family of Fleming, Pa., were called to Murphysboro by the death of her father, Glenn Smith, who passed away suddenly from a heart attack at the age of 62.

The family from Mitchell attended the funeral, held at Murphysboro early this month.

MR. AND MRS. RANDOLPH WERNER, who were married in a candlelight ceremony at Hope Lutheran Church. The bride is the former Miss Paula Ann Squires, a daughter of Mr. and Mrs. Stuart S. Squires, 2435 Edwards St. (Rons Photo Service)

Hope Lutheran scene of Werner-Squires nuptials

Large altar bouquets of white mums and red and white carnations, together with burning tapers, provided the setting at Hope Lutheran Church for the wedding on Dec. 1 of Miss Paula Ann Squires and Randolph Werner.

Parents of the bride are Mr. and Mrs. Stuart S. Squires, 2435 Edwards St. The groom is a son of Mr. and Mrs. Raymond H. Werner, 4721 Vincent Ave.

The Rev. Samuel Boda officiated at the double ring ceremony at 7 o'clock in the evening. Lighting the candles preceding the service were the bride's cousins, Mary Felker and Kirk Potillo.

Mrs. Sandra Lee presided at the organ and accompanied Mrs. Louise Potillo as she sang "We've Only Just Begun," "First Time Ever I Saw Your Face" and "The Lord's Prayer."

Escorted to the altar by her father, the former Miss Squires selected a floor length gown of silk organza and Chantilly lace. Crystal pleating edged the long puff sleeves and cuffed the hem of her A-line skirt made with a chapel train.

Chantilly lace edged the square neckline and was applied to the skirt and sleeves.

A profile headpiece of lace secured her cathedral length veil and she carried a cascade of white roses, daisy pom poms with trailing ivy.

Matron of honor Mrs. Barbara Trichtschuh wore a long gown fashioned with an ivory bodice, long sheer sleeves, trimmed in matching lace, and a skirt made of green velvet.

The two bridesmaids, Mrs. Judy Foret and Mrs. Pam Colp, chose dresses to match the honor attendant's frock in dark burgandy velvet with ivory bodices.

Each of the attendants wore a matching headpiece of velvet to hold in place her shoulder length veil and carried a white fur muff accented with red roses.

Dawn Padgett, the little flower girl, was dressed in a long white gown designed identically to the bride's dress and carried a basket of rose petals.

William Werner attended the groom as best man. George Bell and Keith Colp were groomsmen and Greg Klaus and Tom Voight seated the guests.

Mrs. Squires, mother of the bride, chose a formal length gown with a matching coat of aqua green polyester knit complemented with silver accessories.

The groom's mother, Mrs. Werner, was attired in a full length frock of mint green knit designed with a lace bodice and pleated skirt. Both mothers wore corsages of pink Sweetheart roses.

Dona Werner registered guests at a reception held at the Tri-City American Legion Hall, 1825 State St.

Mr. and Mrs. Werner, parents of the groom, were hosts at a rehearsal dinner given at the church.

Both young people are graduates of Granite City High School. The bride is employed as a cashier at Schermer Essen Hardware. Her husband is attending Rankin Technical School in St. Louis and is an apprentice electrician at Granite City Steel Co.

They will reside in Granite City.

Presbyterian women install

New officers of the United Presbyterian Women were installed at a quarterly meeting at the First United Presbyterian Church of Granite City.

Christmas carols were sung by the group to open the program under the direction of Mrs. Mildred Korch.

Officers to serve in 1974 were installed in ceremonies conducted by the Rev. David Maxton. They are Mrs. Gladys Pape, president; Mrs. Wilfred Cooley, vice-president; Mrs. Ethel Beeler, secretary and Mrs. Helen Johnson, treasurer.

Mrs. Wilford Cooley, the retiring president, welcomed 23 members and a guest, Mrs. David Maxton.

During the business session, the 1974 budget was accepted and Mrs. Burdette Holtzman reported the Church Women United's next meeting will be Jan. 8 at the Madison United Presbyterian Church.

Mrs. Virginia Rickett led the praise service and explained its significance.

A memorial service for the late Mrs. Charlotte Liernan and Mrs. Viola Welch was conducted by Mrs. Lucille Bush.

Mrs. Betty Schmedake reviewed plans for distribution of the organization's newsletter next year and a proposed change in circle names to numerals was discussed.

Quilters honor Mrs. Russell

The Quilters Circle of Nameoki United Methodist Church honored Mrs. Gladys Russell at its annual Yule party held at the church.

The honoree, who has served as circle chairman for 17 years, was presented a "money tree" prepared for the occasion by Mrs. Lucille Webb.

Members met during the morning hours for a regular quilting session. Dinner at noon was followed with an exchange of gifts.

The event was recorded on film by Mrs. Dorothy Wallace and Claude Gible.

Those present were Mesdames Virgie Barks, Millie Teller, Effie Vrenick, Anna Alsop, Ruth Gibb, Dorothy Dorch, Dorothy Ashford, Viola Thornsberry, Luann Briner, Mary Bailey, Helen Metcalf, Violet Miller, Jessie Sayers, Marian Whitaker and guests, Edna Miller, Linda Briner and the Rev. William Fester, pastor.

A surprise cheese party followed the business session. Also present were Vicki Barth, Carolyn Crnkovich, Mrs. Carol Goodwin, Mrs. Helen Hall and Mrs. Joan Pritchard.

Fuel needs consistently underestimated—Price

In a major floor statement in the House of Representatives, Rep. Melvin Price (Dem., 3rd Ill.) has said the nation's energy crisis cannot be attributed to a lack of Congressional studies and reports on the problem.

Rep. Price, chairman of the Joint Committee on Atomic Energy, listed a series of committee studies undertaken over the past two decades in which energy supplies were analyzed in depth.

In 1955 and 1956, for example, a study entitled "Peaceful Uses of Atomic Energy" contained the best data available on world crude oil production and reserves, along with "use estimates" of the various countries.

"It is interesting to compare these estimates of nearly two decades ago with what has happened," said Price. "One thing that really stands out is that energy use has been consistently underestimated."

Following hearings in 1960 on atomic energy research, the Joint Committee published a special report on methods of recovery of energy fuels from shale, solar energy systems, upgrading of energy fuels from coal, advanced energy conversion systems such as direct conversion, fuel cells, thermionics and magnetohydrodynamics, in addition to nuclear energy sources.

"The data we developed in these hearings guided the Committee in its subsequent actions on what energy development programs justified the nation's support," Rep. Price said.

"In all of its considerations of energy," said the congressman, "during a period which has spanned some three decades, the Committee has given

GRANITE CITY PRESS-RECORD
Page 56 Thurs., Dec. 13, 1973

special consideration to coal since it was recognized as our most plentiful and most important energy source.

Price noted early cooperation between the Bureau of Mines and the Atomic Energy Commission in producing gas from coal utilizing process heat and irradiation.

"The congressman laid major emphasis on new processes for converting coal into gaseous and liquid fuels on a large-scale basis."

"One of the most critical immediate routes to the solution of our energy problem is the development of better ways to use coal," he said. "What we must do is complete the prototype plant phase and then build such plants on a large-scale commercial use."

In a 1962 Report to the President on Civilian Nuclear Power, a study group found that the U. S. was rapidly approaching a time when production of fossil fuels would be "peaking out," and projected a decrease commencing in 1970.

In 1963, the Joint Committee held extended hearings on the study and made public all data developed from the testimony.

The 1963 study, therefore, for the long range, there was no practical alternative to nuclear energy for meeting energy requirements.

"Now some ten years since the extensive review," said Price, "nuclear power plants generate about six per cent of the total energy in our nation."

"The congressman anticipates that by the year 2000, 'more than half of the

electric generating capacity of this nation is expected to be provided by nuclear power plants."

"I am not suggesting that nuclear power alone will provide any quick and easy solution to our national energy dilemma," said the congressman.

"It is clear, however, that nuclear power has a significant contribution which it can make."

Rep. Price cited failure to obtain early and adequate public understanding of the energy situation as one of the roadblocks to solving the energy crisis.

"The Joint Committee has published and widely distributed a report entitled 'Understanding the National Energy Dilemma' which Price said can help the public obtain a better idea of the problems it faces and what must be done."

Price said the committee had made adequate notice available in time for corrective actions to be taken. "Over 10 years ago, we had the information that certain additional amounts of energy would be needed within periods of a couple of years."

"Now we must do what we can to recover the time we have lost," said the congressman.

"For the near term, in addition to conservation of our uses of energy, we must utilize to the maximum extent possible our largest resource of fossil fuel, which is coal, and also take maximum advantage of our leadership in the nuclear field."

Price concluded by noting that all of the principal factors concerning the energy supply situation have now been identified and made available to the public. "The only way we can be surprised again," he said, "is if we again ignore the facts and warning signals."

Orvel McLean dies at 71

Orvel B. McLean, 71, of Carpenter Road, Rural Route Two, Edwardsville, former owner and operator of the McLean Auto Body Co. of Granite City, died at 10:30 a.m. Monday at St. Joseph Hospital, Highland.

Mr. McLean was in business here for 25 years prior to moving to Edwardsville where he engaged in farming for the past 30 years.

He was a member of Granite City Masonic Lodge 877 and belonged to the American Polled Hereford Association of Kansas City, Mo., Gateway Polled Hereford Association of New Baden, Ill. and Illinois Valley Polled Hereford Association of Jerseyville.

Born in Greenville, Ill., he lived in this area most of his life. He had been a patient in the hospital five days.

Survivors include his widow, Mrs. Thelma (Newton) McLean; two sisters, Mrs. William (Helen) Rogers of Godfrey and Mrs. Henry (Clara) Breuchard of Alton.

Funeral services were held Wednesday. Details are given in the obituary column.

ATTEND FUNERAL OF GROVER REYNOLDS

Judge and Mrs. Merlin Hiscott of Granite City and Mr. and Mrs. Floyd Lollar of Cameron, Mo., attended funeral services last week in Troy for Grover Reynolds, 79, a former Granite Cityan.

Mr. Reynolds was an uncle of Mr. Hiscott and Mrs. Lollar, and a brother of the late Mrs. Sallie Hiscott of Granite City, with whom he made his home for many years.

Nameoki, Victory crash

Darrell Gall, 19, of 4 Nightingale Court, and Larry Anderson, 26, of 3032 Iowa St., were injured when their cars collided at Nameoki Road and Victory Drive at 12:45 a.m. Friday.

Gall lost consciousness in the accident and suffered cuts to his nose and right ear. He was taken to St. Elizabeth Hospital and transferred to Fournier Desloge Hospital, St. Louis.

Anderson was admitted to the hospital with cuts to his chin and left thumb and abrasions to his right knee. X-rays of his skull, spine, chest and right knee were taken.

No shortages of soda bottles—yet

Great news! With shortages developing in just about every area, there isn't a shortage of soft drink bottles.

Not yet, anyway.

If one develops (and it may) it may be because of the shortage of natural gas.

Then again, if one develops, it may be because of abundance—an increase in quantities of cleaner air and water.

Owens-Illinois, Inc., whose Streator plant is the largest glass manufacturing plant in the world, is starting to feel a pinch in supplies of soda ash, one of the three main ingredients in making glass.

Since soda ash, silica sand and lime, which are needed for glassmaking, are among the most abundant materials around, why should soda ash supplies now be getting short?

According to Bill Clow, Owens-Illinois' environmental specialist, it is environmental considerations, not the fuel shortage, causing a tightening of supplies.

Suppliers are having to produce less in order to meet environmental requirements and controls, Clow says, and what they do produce is being sought in increasing amounts for environmental improvements. Soda ash is a widespread ingredient in many water and air cleansing systems.

This increasing demand, linked to a slight reduction in the production, is making soda ash somewhat harder to come by. But Clow says the Owens-Illinois operations have not yet had to cut back their production numbers.

One alternative is increasing use of re-cycled glass which not only requires no additional natural resources but needs less heat and, therefore, less fuel to process.

Until recently, most glass companies had discontinued buying used colored glass, since the brown and green bottles are more likely to be "contaminated" with metal in the form of rings or caps still attached, all of which must be removed before the glass can be used.

At the Streator plant, a method of cleaning the off-fering metals from the glass has been developed and the plant is now buying used green glass for re-processing.

Presently, used glass is selling for \$20 a ton, the same price it has been bringing, and Owens-Illinois is anxious to get as much as possible, Clow said.

In an effort to reduce fuel consumption, Owens-Illinois has been able to make some improvements which require less BTU's per ton of glass produced, and the firm is continuing to work in that direction.

Though nothing is likely to be done in Illinois about requiring

use of returnable beverage bottles at least until next year, the industry is opposed to such requirement, particularly at this time. It says being forced to go to such a method would require 16 times the raw materials and 16 times the energy immediately to make the changeover.

Each returnable bottle must be sturdier and requires twice the raw materials, and therefore twice the energy to produce. In addition, because of various interruptions which occur in the bottles' progress through the cycle, it is estimated there must be at least eight "back up" bottles for each one in actual use.

"Bottlers already have the best systems for their own locations," Clow said. They use disposable bottles where no one is going to return them anyway, and they use returnable bottles where that works best.

Will the energy crisis cause more problems? "We're hopeful we'll be able to cope with it," he says.
